Senate Documents ,1896 Dedication of the Chickamauga and Chattanooga National Military Park, September 18-20, 1895 United States. Congress. Joint Committee on Dedication of Chickamauga and Chattanooga National Military Park,1896 *Federal Energy Regulatory Commission Reports* United States. Federal Energy Regulatory Commission,1981-04 **A Digest of the Laws of Texas** James Wilmer Dallam,1904 **After San Jacinto** Joseph Milton Nance,2011-05-18 A balanced account of the skirmishes along Texas borderland during the years between the Battle of San Jacinto and the Mexican seizure of San Antonio The stage was set for conflict The First Congress of the Republic of Texas had arbitrarily designated the Rio Grande as the boundary of the new nation Yet the historic boundaries of Texas under Spain and Mexico had never extended beyond the Nueces River Mexico unwilling to acknowledge Texas independence was even more unwilling to allow this further encroachment upon her territory But neither country was in a strong position to substantiate claims so the conflict developed as a war of futile threats border raids and counterraiders Nevertheless men died often heroically and this is the first full story of their bitter struggle Based on original sources it is an unbiased account of Texas Mexican relations in a crucial period Solid regional history *The Journal of Southern History* The Shattering of Texas Unionism Dale Baum,1998-12-01 In a rare departure from the narrow periodization that marks past studies of Texas politics during the Civil War era this sweeping work tracks the leadership and electoral basis of politics in the Lone Star State from secession all the way through Reconstruction Employing a combination of traditional historical sources and cutting edge quantitative analyses of county voting returns Dale Baum painstakingly explores the double collapse of Texas unionism first as a bulwark against secession in the winter of 1860 1861 and then in the late 1860s as a foundation upon which to build a truly biracial society By carefully tracing the shifting alliances of voters from one election to the next Baum charts the dramatic assemblage and subsequent breakup of Sam Houston s coalition on the eve of the war evaluates the social and economic bases of voting in the secession referendum and appraises the extent to which intimidation of anti secessionists shaped the state s decision to leave the Union He also examines the ensuing voting behavior of Confederate Texans and shows precisely how antebellum alignments and issues carried over into the war years Finally he describes the impact on the state s electoral politics brought about by the policies of President Andrew Johnson and by broad programs of revolutionary change under Congressional Reconstruction Baum presents the most sophisticated examination yet of white voter disfranchisement and apathy under Congressional Reconstruction and of the social and political origins of the state s Radical Republican scalawag constituency He also provides a rigorous statistical investigation of one of the most controversial elections ever held in Texas the 1869 governor s race lost by conservative Republican Andrew Jackson Hamilton to Radical Edmund J Davis which nonetheless effectively ended Congressional Reconstruction Through his innovative exploration of unionist sentiment in Texas Baum illuminates the most turbulent political period in the history of the state interpreting both the weight of continuity and the force of change that swept over it before during and immediately after the American Civil

War Students of the South the Civil War and African American history as well as sociologists and political scientists interested in election fraud political violence and racial strife will benefit from this significant volume *Recycling Land*
Elizabeth Glass Geltman,2010-08-27 Older and often economically depressed industrial cities generally have a number of well located but abandoned industrial sites Too frequently these sites are heavily polluted by the residue of toxic wastes dumped when old factories were still in use These brownfield sites must be cleaned up under existing law before they can be redeveloped And yet the question of who will bear the cost of this cleanup frequently stymies efforts to return these sites to productive use A complicated net of federal state and local regulations can involve several generations of owners in potential liability for the cleanup frequently resulting only in extended litigation not often in the cleanup of the site In this book Elizabeth Glass Geltman surveys the laws on both the federal and state level with regard to the cleanup of brownfield sites The author makes valuable suggestions for reforming these laws that will help encourage land reuse and the accompanying redevelopment of the industrial base of many American cities both large and small Elizabeth Glass Geltman is Professor of Law George Washington University Law School and is the author of many books on environmental law including Modern Environmental Law Policy and Practice **Polk's Medical Register and Directory of North America** ,1917

Unveiling the Magic of Words: A Review of "**Register For Texes 235**"
