significantly easier when it comes to addressing employee performance issues **Who's Listening?** Robert J.E.
Silvery,2016-10-14 This book first published in 1974 is the story of BBC Audience Research a behind the scenes activity that
has always been the subject of some curiosity It describes the early tentative experiments designed both to develop ways of
applying the techniques of social research to broadcasting and to win the confidence of BBC staff The way World War II
which deprived programme planners of many of their familiar landmarks acted as a fillip to audience research which
emerged at the end of the war as an established and accepted adjunct to broadcasting is described in detail *Mining*
