

TENNIS

PACKET # 3

INSTRUCTIONS

This Learning Packet has two parts: (1) text to read and (2) questions to answer.

The text describes a particular sport or physical activity, and relates its history, rules, playing techniques, scoring, notes and news.

The Response Forms (questions and puzzles) check your understanding and appreciation of the sport or physical activity.

INTRODUCTION

Tennis is among the most popular sports in the United States. It is played by amateurs and professionals, children and adults, women and men. It can be played for sheer enjoyment or in fiercely competitive tournaments, such as the famous Davis Cup, Wightman Cup and the Wimbledon tournament. Like badminton, it requires agility, speed and almost continuous motion on the part of the player. It is often recommended as a good means of aerobic exercise.

HISTORY OF TENNIS

The game that we know as "tennis" today (officially known as "lawn tennis") was created by a British citizen, Major Walter C. Wingfield, who introduced the game to Britain in 1873. The following year saw the introduction of the already-popular game to America.

However, the real history of tennis apparently goes back far beyond Major Wingfield's day. A version of tennis was played in ancient Greece and in France in the 1400s.

The first tennis tournament was played at Wimbledon in England in 1877. While Wimbledon is still considered the most famous and prestigious tennis tournament in the world, the Davis Cup and Wightman Cup tournaments are also important annual events.

HOW THE GAME IS PLAYED

A tennis game always starts with the serve. The server stands behind the base line on the right side of the court. The ball is tossed into the air and hit diagonally across the net into the opponent's court. The opponent then has to hit
