Prairie Lust An Erotic Western Romance:

Cowboy Lust Delilah Devlin, 2012-08-14 There s a reason Western romance novels never go out of fashion The cowboy is an iconic figure embodying the dichotomy of the fiercely independent earthy alpha male juxtaposed with the male as a nurturer and protector Cowboys take care of their women in every possible way Wild and wayward women are gentled by the scent of horse and cow and the sight of sun kissed skin the feel of work hardened thighs and arms and the sound of a deep voiced Texas drawl Contributors at the top of the Western romance genre including Charlene Teglia Randi Alexander and Cat Johnson have corralled here strong and memorable characters ranging from a rodeo star and a cop on horseback to a feisty female gunslinger Traversing romantic settings from Montana Texas California Mexico and the Outback of Australia the stories in Cowboy Lust are risky and risqu full of studs in spurs hot enough to send you to a vacation on a dude ranch

continuation of 1994 s groundbreaking Cartoons Giannalberto Bendazzi s Animation A World History is the largest deepest most comprehensive text of its kind based on the idea that animation is an art form that deserves its own place in scholarship Bendazzi delves beyond just Disney offering readers glimpses into the animation of Russia Africa Latin America and other often neglected areas and introducing over fifty previously undiscovered artists Full of first hand never before investigated and elsewhere unavailable information Animation A World History encompasses the history of animation production on every continent over the span of three centuries Volume II delves into the decades following the Golden Age an uncertain time when television series were overshadowing feature films art was heavily influenced by the Cold War and new technologies began to emerge that threatened the traditional methods of animation Take part in the turmoil of the 1950s through 90s as American animation began to lose its momentum and the advent of television created a global interest in the art form With a wealth of new research hundreds of photographs and film stills and an easy to navigate organization this book is essential reading for all serious students of animation history Key Features Over 200 high quality head shots and film stills to add visual reference to your research Detailed information on hundreds of never before researched animators and films Coverage of animation from more than 90 countries and every major region of the world Chronological and geographical organization for quick access to the information you re looking for **Race in American Television** David J. Leonard, Stephanie

Troutman Robbins, 2021-01-26 This two volume encyclopedia explores representations of people of color in American television It includes overview essays on early classic and contemporary television and the challenges for developments related to and participation of minorities on and behind the screen Covering five decades this encyclopedia highlights how race has shaped television and how television has shaped society Offering critical analysis of moments and themes throughout television history Race in American Television shines a spotlight on key artists of color prominent shows and the

debates that have defined television since the civil rights movement This book also examines the ways in which television has been a site for both reproduction of stereotypes and resistance to them providing a basis for discussion about racial issues in the United States This set provides a significant resource for students and fans of television alike not only educating but also empowering readers with the necessary tools to consume and watch the small screen and explore its impact on the evolution of racial and ethnic stereotypes in U S culture and beyond Understanding the history of American television contributes to deeper knowledge and potentially helps us to better apprehend the plethora of diverse shows and programs on Netflix Hulu YouTube and other platforms today

Twentieth-century American Western Writers Richard H. Cracroft, 1999 Essays on authors of American Western literature suggesting the enormous diversity of North America's Western peoples' visions and possibilities These writers share a common awe of the immensity of the West while also exhibiting a wide range of individual cultural and ethical literary responses to the nature and meaning of the Western experience Includes discussion of the transformation of the West after World War II and the cultural shock of the late 1960s

The Literary History of Saskatchewan David Carpenter, 2014-02-01 Progressions presents another batch of erudite and entertaining essays on a variety of topics covering Saskatchewan's literary development as well as tributes to some of the major contributors to that history and a pictorial glimpse into the past Writers stopped using typewriters and even moved beyond the Kaypro computer box for their compositions The Saskatchewan School of the Arts was shut down ending the Fort San writing experience But the Sage Hill Writing Experience quickly rose to replace it Saskatchewan literary presses really found their feet and published important and lasting books A wave of new writers joined the founders of the province's literary tradition Responding to this growth in the community the Saskatchewan Book Awards and the Saskatchewan Festival of Words in Moose Jaw came into being The Saskatchewan writing community stormed out of the 20th Century in a frenzy of creativity and accomplishment

Essay contributors to Volume 2 include Dave Margoshes Jeanette Lynes Aritha Van Herk Alison Calder and seven more The eleven essays include such topics as To House or House Not The New Saskatchewan Women Poets Contemporary Nature Writing in Saskatchewan Fort San Sage Hill and Brave and Foolish Nonconformists In addition literary tributes are offered for Caroline Heath Pat Krause Martha Blum and Max Braithwaite
