Prayer Carole Bayer Sager And David Foster:

Arthurian Legends on Film and Television Bert Olton, 2008-10-23 The Arthurian legends are a crucial part of Western culture. With their enduring themes, archetypal characters, and complex plots, it is not surprising that the stories of Camelot should find their way into films and television programs. From the moody *Excalibur* to the looney *Knighty Knight Bugs*, more than 250 entries give complete credits, synopses, and analyses. Included are works based solely on Arthur and his literary origins and works that feature other figures like Galahad, Percival, and the operatic favorites Tristan and Isolde. Also included are animated films, parodies like Monty Python's films like *Indiana Jones* and the *Last Crusade* with Arthurian themes, and television series with Arthurian episodes such as *Babylon 5* and *MacGyver*. Operatic and dramatic works recorded for film and television like *Camelot* are also covered. Appendices, bibliography, and index.

So You Want to Sing Gospel Trineice Robinson-Martin, 2016-11-29 There are few works in existence that teach gospel singing, and even fewer that focus on what gospel soloists need to know. In *So You Want to Sing Gospel*, Trineice Robinson Martin offers the first resource to help individual gospel singers at all levels make the most of their primary instrument: their voice. Robinson Martin gathers together key information on gospel music history, vocal pedagogy, musical style, and performance, and its place in music ministry. *So You Want to Sing Gospel* covers such vital matters as historical, cultural, and spiritual perspectives on the gospel music tradition; training one's voice; understanding the dynamic of sound production; grasping gospel style; and bringing together vocal performance with ministerial imperatives. She also includes in her discussion such matters as voice type, repertoire selection, and gospel sub-genres. Additional chapters by Scott McCoy and Wendy LeBorgne and Matthew Edwards address universal questions of voice science and pedagogy, vocal health, and audio enhancement technology. The *So You Want to Sing* series is produced in partnership with the National Association of Teachers of Singing. Like all books in the series, *So You Want to Sing Gospel* features online supplemental material on the NATS website. Please visit www.nats.org to access style-specific exercises, audio, and video files, and additional resources.

Twelve Days Of Cape Mike; Kathy Hibbs, 2011-05-25 I started this book or writing to help Kathy and I deal with our grief in the loss of our little granddaughter and the near loss of our daughter I thought reliving the events would somehow help us cope with all the emotions one experiences during times when life hurts the most For Kathy it was a painful process She would help me with certain events but could not review the writing Reliving it was too painful for her As for me reliving those twelve days and the months after provided a stream for my tears to flow out of me and into the river of God's peace In the early hours of the day while sitting in my study I would write while the tears ran down my face These tears were to me like small drops of rain God was sprinkling on me to wash away my sorrow Some mornings I would feel that he too was crying with me his tears were also running down my face It was his tears that washed away my sorrow my grief and replaced it with his love and his peace His love for you and me is stronger than anything this world can throw at us I learned many things during these days of remembrance The one thing I learned that stands out the

most is that God's hold on us is the strongest when life hurts the most He never lets go Our faith allows us to hold onto him while he is firmly holding onto us He is most capable to hold on to my family and to yours in the palm of his righteous right hand
