Rabbit Stew for Your Soul Bob Ford, 2019-09-19 Bob Ford has been hunting rabbits since he was a kid and has traveled the country with hunting beagles One thing about being a successful hunter is that you will get to enjoy wild game at your kitchen table Over the years Ford has developed many recipes for rabbit and you will find just a few of them here He developed these recipes over more than three decades Some go back to meals that the author's mother made Visits to restaurants inspired others An abundance of harvested rabbits inspired some of the recipes while others were created for those hunts where just one rabbit is brought to the game vest Rabbit meat domesticated is now very popular and while Bob created these recipes with wild game they certainly would work well with domesticated rabbits as well making adjustments for the increased size of domesticated rabbits Rabbits are a sustainable source of protein and very low in fat The contents of this book are recipes developed by a good hunter who is a good home cook
