God's story of love, unity, and relationship, a story into which God has written each of us. **Northern Harvest** Erita Brady Hill, 2020-05-05 Pays tribute to the women behind the local sustainable and quality foods of northwestern Michigan. Northern Harvest Twenty Michigan Women in Food and Farming looks at the female culinary pioneers who have put northern Michigan on the map for food, drink, and farming. Erita Brady Hill interviews women who share their own stories of becoming the cooks, bakers, chefs, and farmers that they are today, each even sharing a delicious recipe or two. These stories are as important to tracing the gastronomic landscape in America as they are to honoring the history, agriculture, and community of Michigan. Divided into six sections, Northern Harvest celebrates very different women who converged in an important region of Michigan and helped transform it into the flourishing culinary Eden it is today. Hill speaks with orchardists and farmers about planting their own fruit trees and making the decision to transition their farms over to organic. She hears from growers who have been challenged by the northern climate and have made exclusive use of fair trade products in their business. Readers are introduced to the first ever cheesemaker in the Leelanau area and a pastry chef who is doing it all from scratch. Readers also get a sneak peek into the origins of Traverse City institutions such as Folgarelli's Market and Wine Shop and Trattoria Stella. Hill catches up with local cookbook authors and nationally known food writers. She interviews the founder of two historic homesteads that introduce visitors to a way of living many of us only know from history books. These oral histories allow each woman to tell her story as she chooses, in her own words, with her own emphasis and her own discretion or indiscretions. Northern Harvest is a celebration of northern Michigan's rich culinary tradition and the women who made it so. Hungry readers will swallow this book whole. [The Old Farmer's Almanac for Kids](#) Old Farmer's Almanac, 2013-09-03 Offers a compilation of facts and folklore on a range of topics including weather, astronomy, gardening, animals, history, sports, and health. *Soar* Hillary Daecher, 2020-08-28 Young readers will identify with a nervous but determined hummingbird in this strikingly illustrated powerful message about overcoming fear and never giving up. Ramone, a shy ruby-throated hummingbird, is about to leave the nest for the first time. But his anxiety and fear keep him from taking off as he contemplates all that could go wrong. Full of kind words and encouragement, Ramone's mother gives him room to work through his emotions, building his confidence and letting him set his own pace. Ramone watches as his friends soar through the sky, realizing all he might miss out on if he doesn't conquer his fear. Ramone's adventure showcases the emotions, both positive and negative, children experience as they approach new challenges. Accompanied by strikingly beautiful illustrations, this tale guides readers through Ramone's emotional journey, showing kids that fear must be overcome in order to grow.
