 Discusses the Buddhist concept of shenpa in order to describe how to become free from the destructive energy experienced during moments of conflict **Creating True Peace** Thich Nhat Hanh, 2003-08-06
 Creating True Peace is both a profound work of spiritual guidance and a practical blueprint for peaceful inner change and global change It is Thich Nhat Hanh's answer to our deep rooted crisis of violence and our feelings of helplessness victimization and fear As a world renowned writer scholar spiritual leader and Zen Buddhist monk Thich Nhat Hanh was one of the most visible revered activists for peace and Engaged Buddhism the practice he created that combines mindful living and social action Having lived through two wars in his native Vietnam he works to prevent conflict of all kinds from the internal violence of individual thoughts to interpersonal and international aggression Now in perhaps his most important work Thich Nhat Hanh uses a beautiful blend of visionary insight inspiring stories of peacemaking and a combination of meditation practices and instruction to show us how to take Right Action A book for people of all faiths it is a magnum opus a compendium of peace practices that can help anyone practice nonviolent thought and behavior even in the midst of world upheaval More than any of his previous books Creating True Peace tells stories of Thich Nhat Hanh and his students practicing peace during wartime These demonstrate that violence is an outmoded response we can no longer afford The simple but powerful daily actions and everyday interactions that Thich Nhat Hanh recommends can root out violence where it lives in our hearts and minds and help us discover the power to create peace at every level of life personal family neighborhood community state nation and world Whether dealing with extreme emotions and challenging situations or managing interpersonal and international conflicts Thich Nhat Hanh relied on the 2 600 year old traditional wisdom and scholarship of the Buddha as well as other great scriptures He teaches us to look more deeply into our thoughts and lives so that we can know what to do and what not to do to transform them into something better With a combination of courage sweetness and candor he tells us that we can make a difference we are not helpless we can create peace here and now Creating True Peace shows us how *The Highest of All Mountains* Samuel K. Sarpiya, 2021-03-18
 This book is for people who believe that the gospel is a message of peace and this gospel of peace is relevant for our time Peacemaking is a core part of our Christian discipleship just as we learn how to pray just as we learn how to love our neighbors just as we learn how to feed the hungry We can also learn how to be peacemakers Sarpiya believes that peacemaking is central to the Christian faith and practice This book will serve as a guide that will offer a scriptural guide with practical stories and applications Readers will be challenged by Scripture to take the call to peacemaking into their communities The fact that numerous peace treaties have collapsed serves to show how difficult it is to transcend cycles of violence and foster a sustained durable peace The one place that one could look to for answers about how to move toward peace is within faith communities and sometimes not just one faith acting alone but working alongside other faiths in concert with other faiths taking an interreligious approach The Highest of All Mountains shows how Sarpiya's
