Hildebrandt, Peter B. Swanson, 2016-07-01 In Understanding the World Language edTPA Research Based Policy and Practice two researchers in the forefront of world language edTPA discuss the new beginning teacher portfolio including its required elements federal and state policies concerning teacher evaluation and research from their own programs Higher education faculty members and language teacher preparation program coordinators who would like to better understand edTPA requirements and gain suggestions for necessary programmatic changes will find this book of interest The book is composed of eight chapters The authors begin by describing edTPA and how it became a national trend to assess beginning teacher ability In Chapter 2 the authors present ideas about curricular changes that may need to occur in traditional world language teacher education programs as well as suggestions to assist teacher candidates as they begin to develop their portfolios Afterward the authors discuss the context for learning Chapter 3 and they begin with assessment moving to planning and then to instruction Chapters 4 5 6 In each chapter the authors discuss the work sample that teacher candidates must create an analysis of a high scoring portfolio and steps to stimulate teacher candidates professional thinking In Chapter 7 the authors present activities for the methods classroom In the final chapter the authors provide a critical analysis of edTPA in general and the world language edTPA in particular Understanding the World Language edTPA Research Based Policy and Practice provides readers with a much needed guide to inducting teacher candidates into the new portfolio requirements while helping higher education faculty make appropriate curricular changes to accommodate edTPA

The Changing Landscape of Spanish Language Curricula Alan V. Brown, Gregory L. Thompson, 2018-07-01

Spanish remains a large and constant fixture in the foreign language learning landscape in the United States As Spanish language study has grown so too has the diversity of students and contexts of use placing the field in the midst of a curricular identity crisis Spanish has become a second rather than a foreign language in the US which leads to unique opportunities and challenges for curriculum and syllabus design materials development individual and program assessment and classroom pedagogy In their book Brown and Thompson address these challenges and provide a vision of Spanish language education for the twenty first century Using data from the College Board ETS and the authors own institutions as well as responses to their national survey of almost seven hundred Spanish language educators the authors argue that the field needs to evolve to reflect changes in the sociocultural socioeducational and sociopolitical landscape of the US The authors provide coherent and compelling

discussion of the most pressing issues facing Spanish post secondary education and strategies for converting these challenges into opportunities Topics that are addressed in the book include Heritage learners service learning in Spanish speaking communities Spanish for specific purposes assessment unique needs for Spanish teacher training online and hybrid teaching and the relevance of ACTFL s national standards for Spanish post secondary education An essential read for Spanish language scholars especially those interested in curriculum design and pedagogy that includes supporting reflection questions and pedagogical activities for use in upper level undergraduate and graduate level courses
