

Prayer for Missionaries

Heavenly Father, we lift up to you all missionaries working in Your vineyard. Lord, you have called them away from home to follow You to fulfil Your will in their lives and in the lives of those they come in contact with. Father, we ask you to protect them and keep them safe. We pray that all those whom they reach out to may be open and willing to receive the beautiful and life-altering truth of Your Son, Jesus Christ.

We pray for all those missionaries who feel discouraged. Comfort them with your assurance that their labour is not in vain. We pray for missionaries rendering their tireless services during the COVID-19 pandemic. Help them act with your wisdom and guidance during these times. Grant them good health. Father, as many are quarantined, we pray that outreach via the internet or other forms of communication may be all the more powerful. Help them to connect even when not in person and to truly represent You well during these tense days, so that they may bring your message of joy, love and peace to everyone. Amen

Holmas, 2011-03-17 This is a comprehensive study of the literary function of prayer in Luke Acts employing narrative critical methodology and focusing on the theme's relation to Luke's historiographical aims Holmas asserts that the distribution of strategically placed prayer notices and prayers throughout Luke Acts serves a twofold purpose First it is integral to Luke's project of authenticating the Jesus movement as accredited by Israel's God Holmas shows that Luke presents a consistent pattern of divine affirmation and redemption attending the tenacious prayers of the faithful ones throughout every major phase of his narrative in turn demonstrating continuity with the pious Israel of the past Secondly most importantly the ultimate purpose of Luke's emphasis on prayer is didactical In Luke's gospel Jesus summons his disciples and implicitly his readers to confident and persistent prayer before the Eschaton assuring them of God's readiness to answer their entreaties Luke's historical account as a whole provides narrative reinforcement of this affirmation Just as God has been consistent in responding to the diligent prayers of his faithful ones in recent history satisfying and fulfilling Israel's hopes for redemption in the Jesus movement he will assuredly secure ultimate vindication at the end of time for those who persist in prayer It was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches The Early Christianity in Context series a part of JSNTS examines the birth and development of early Christianity up to the end of the third century CE The series places Christianity in its social cultural political and economic context European Seminar on Christian Origins and Journal for the Study of the Historical Jesus Supplement are also part of JSNTS
