Stirring the Pot James C. McCann, 2009-10-31 Africa's art of cooking is a key part of its history All too often Africa is associated with famine but in *Stirring the Pot* James C. McCann describes how the ingredients the practices and the varied tastes of African cuisine comprise a body of historically gendered knowledge practiced and perfected in households across diverse human and ecological landscape McCann reveals how tastes and culinary practices are integral to the understanding of history and more generally to the new literature on food as social history *Stirring the Pot* offers a chronology of African cuisine beginning in the sixteenth century and continuing from Africa's original edible endowments to its globalization McCann traces cooks' use of new crops spices and tastes including New World imports like maize hot peppers cassava potatoes tomatoes and peanuts as well as plantain sugarcane spices Asian rice and other ingredients from the Indian Ocean world He analyzes recipes not as fixed ahistorical documents but as lively and living records of historical change in women's knowledge and farmers' experiments A final chapter describes in sensuous detail the direct connections of African cooking to New Orleans jambalaya Cuban rice and beans and the cooking of African Americans' soul food *Stirring the Pot* breaks new

ground and makes clear the relationship between food and the culture history and national identity of Africans **“My”**

Official Goat Meat Products Cookbook Sharon Hunt RD,2017-12-06 My Official Goat Meats Products Cookbook is a combination of goat meat recipes from Southern states Africa and the Caribbean with desserts plantation popular dessert recipes and short important facts about the possible kinship bonds and food selection bonds from Africa and former African slaves The main purpose of the cookbook is to promote the study of where Africans may have come from in Africa during the slave trade Hopefully the book will be an excellent African American source **Traditional Christmas Recipes of Spain**

Malcolm Coxall,2013-09-17 For any traveller crossing Spain it is soon obvious that every region has its own distinctive culinary specialities Look a little closer and we realise that every province also has its own specialities Indeed when we really begin to dig deeper we find that most villages also have their own very particular recipes This high degree of culinary diversity may come as a nice surprise to many a jaded palate Sadly in much of the industrial world we are accustomed to bland standardised and utilitarian food Even at times like Christmas when good food should be central few really local specialities exist in our rather monochrome Westernised gastronomy Gladly Spain mostly avoided this industrialisation of food so that most people remain avidly interested in and proud of their own food products and their regional dishes This attitude probably explains the huge number of Michelin stars in the country Spain is a treasure trove of food diversity with centuries of cultural influences from Romans Arabs Jews and Christians contributing to many of the dishes still served today Spain is blessed with a pride and love of its own traditional recipes combined with a range and variety of ingredients that many a chef outside of Spain can only dream about Christmas is a special time in Spain and there are few people in the world as capable of making Christmas into a truly special occasion The Spanish have a love and understanding of good food Taken together with their ability to enjoy a good party Christmas in Spain is truly a culinary delight Here we present you with just some of the multitude of traditional Spanish Christmas Recipes Enjoy them and Feliz Navidad **The Oxford Companion**

to Food Alan Davidson,2014 Twenty years in the making the first edition of this bestselling reference work appeared in 1999 to worldwide acclaim Combining serious and meticulously researched facts with entertaining and witty commentary it has been deemed unique by chefs and reviewers around the globe It contains both a comprehensive catalog of foodstuffs crackers and cookies named for battles and divas body parts from toe to cerebellum breads from Asia to the Mediterranean and a richly allusive account of the culture of food whether expressed in literature and cook books or as dishes special to a country or community Retaining Alan Davidson s wisdom and wit this new edition also covers the latest developments across the whole spectrum of this subject Tom Jaine has taken the opportunity to update the text and alert readers to new perspectives in food studies There is new coverage on attitudes towards food consumption production and perception such as food and genetics food and sociology and obesity New entries include terms such as convenience foods gastronomy fusion food leftovers obesity local food and many more There are also new entries on important personalities who are of special
