Recipe For Red Cinnamon Pickles:

Pickles to Relish Alfeld, Beverly Ellen Schoonmaker, 2008 Auntie Anne's Pantry Anne Casbeer, 2010-06-01 Have you ever wondered how to create quick healthy and inexpensive meals with today's increasing cost of living? Getting back to basics will help. Gardening and preserving food will help you to manage the quality cost and nutrition of the foods you eat. Auntie Anne's Pantry is not the usual food preservation cookbook. The recipes come from years of experiences when storing food through winter was necessary and more common. Recipes are favorites from the author's families' pantry and include everything from appetizers to desserts. The recipes in Auntie Anne's Pantry provide quick healthy and economical meals which are perfect for today's busy schedules. Fruits and vegetables are preserved when plentiful and in season whether grown in your personal garden or bought from a farmer's market. Food is put up for the off season when more scarce and expensive. This book is a great guide for your food storage back to basics experience. Auntie Anne's Pantry was written by the author of Wonderful Wheat, a book about cooking with a hearty grain for healthy homes. Raised on Old-Time Country Cooking Bettie B. Burkhalter, 2012-10-26 Sixteen generations later the same old winding roads and blazed trails throughout the three novels lead us all back home to nostalgic dishes and the worlds from which they came. Upon arrival at the old home place we quickly find our favorite room: Mamas kitchen. The familiar sounds of pots and pans and aromas of old time country cooking float in and out of our senses. Suddenly visions of chocolate pies swirled high with meringues cooling on the kitchen window sill are as clear as yesterday. The sizzling sounds of Mama frying chicken on the old wood stove remind us that her kitchen offered southern hospitality at its best. The trip down memory lane of days gone by rekindles the true meaning of Home Sweet Home. As we stop and reminisce hot tears blur our vision and we ask ourselves where did all the years go.
