Resilient Kitchens Philip Gleissner,Harry Eli Kashdan,2023-05-12 Immigrants have left their mark on the great melting pot of American cuisine and they have continued working hard to keep

America's kitchens running even during times of crisis like the COVID 19 pandemic. For some immigrant cooks the pandemic brought home the lack of protection for essential workers in the American food system. For others cooking was a way of reconnecting with homelands they could not visit during periods of lockdown. *Resilient Kitchens: American Immigrant Cooking in a Time of Crisis* is a stimulating collection of essays about the lives of immigrants in the United States before and during the COVID 19 pandemic told through the lens of food. It includes a vibrant mix of perspectives from professional food writers, restaurateurs, scholars, and activists whose stories range from emotional reflections on hardship, loss, and resilience to journalistic investigations of racism in the American food system. Each contribution is accompanied by a recipe of special importance to the author, giving readers a taste of cuisines from around the world. Every essay is accompanied by gorgeous food photography, the authors' snapshots of pandemic life, and hand-drawn illustrations by Filipino American artist Angelo Dolojan.
