[The Cookbook : Russian House #1 Culinary Secrets](#) Tatyana Urusova, 2020-03-01. This is a unique spin on Russian cuisine, Russian fusion with a California accent. Each recipe from the book contains a twist that makes the dishes interesting and delicious. Many recipes in the book go back to our childhood in Russia. It took us some time to find American food alternatives and recreate those dishes with the same familiar home flavor, but it turned out well. We like to cook and we like to experiment, but we are not professional chefs by any means. Our culinary style is shaped by the nostalgia for the scrumptious meals lovingly cooked by our moms and grandmas, as well as traveling the world and getting to know various foods and cuisines. As a result, we created our own signature recipes that are memorable, unique and taste great. In our book, we share ideas, not rigid guidelines, and we invite you to join our community of co-creation. Although our approach to cooking is more creative than scientific, the ever-so-common "Wow" reaction to the first bite tells us that we are onto something. Our recipes are not just unique but also very healthy. Organic, gluten-free, dairy-free, fat-free, vegan, there are so many ways that people choose to

nourish themselves that challenge the norms of traditional Russian cooking Our book can be a great source of inspiration for your fusion cuisine experiments and can awaken your creative culinary spirits We carefully selected our best recipes so that friends and families can nourish their souls by coming together and spending time with people they love and can nourish their bodies by eating healthy and nutritious food Our cookbook will help you To replicate the most popular dishes from Russian restaurant using easy and detailed recipes To cook delicious and healthy Russian meals adapted to American palate and food availability To chose from a wide variety of vegetarian and vegan options Our recipes are a great addition to your everyday recipes which compliments health and open cosmopolitan spirit To develop a strong knowledge of Russian food culture and enable you to start experimenting with fusion culinary style And you will have a chance to spend time with friends or family cooking and sharing meals together About us Russian house 1 is an experimental restaurant and intentional community for spiritual development <http://www.russianhouse1.com> Founded in 2015 and operating with a no menu no price honor system Russian House 1 relies on people s free will and the culinary masterpieces of its team members For over 3 years we have been offering a unique dining experience on the Russian River in Jenner California where the River meets the Ocean
