Deadly Beasts Book 1: The Curse Of The Rose TM Watkins, 2017-09-07
Mary Arnold's entire life has been filled with pain, abandoned on the steps of a church by her parents, not wanted by society, and left within the care of government-run orphanage. At nineteen, she does nothing more than sleep, eat, and work two jobs just to pay for her way in life. But all of that changed on one cold morning as she walked home from her job as a night fill at the local convenience store. Attacked by a supposedly mythical creature, Mary is thrust into a world of the unknown. Her survival depends on one person, a dark and cold man who is living with the despair of lost love. Can she depend on a man that is so absorbed in his own misery that he cannot see the danger that looms? Walking down an alley at five am in the morning wasn't the brightest thing that Mary has ever done, but in one brief moment, she altered her world forever.

A House Party in Tuscany Amber Guinness, 2022-03-29
This ebook has a fixed layout and is best viewed on a widescreen full-colour tablet. A stunning book in every way, Amber Guinness paints such a dreamy, evocative picture of her home in the Tuscan countryside and of the sumptuous feasts she cooks there. I long to be there with her and to eat everything in this book. Skye McAlpine, author of *A Table in Venice*. A truly beautiful book with food as colourful as paintings and thoughtful menus guided by the Tuscan seasons. Emiko Davies, author of *Torta della Nonna*. A peculiar attribute of the landscape surrounding Arniano is the ever-changing light. Early in the morning, there is an extraordinary mist that sits in the valley and interweaves through the hills, allowing just the tops to show above the smoky clouds. These changes bring with them new moods and shadows, drawing our painters to different views and areas of the garden throughout the day. By the evening, everything has altered again, and there are often intense sunsets bringing silhouettes from the trees and much darker, richer olive colours. There are many farmhouses in Tuscany, but few are quite so magical as Arniano. It is here, in this 18th-century podere, that Amber Guinness grew up and learned to cook. And it is here that she established The Arniano Painting School, a residential painting course and immersive art and food experience. As I look through the recipes and think about the common thread that binds them, I realise that they all exemplify a fundamental principle of Italian home cooking. Which is that simplicity and keeping ingredients as close to their original form as possible leads to the most delicious and rewarding food. The beauty of Italian cooking is that it is not about fancy sauces or preparation techniques. Rather, it is about bringing out the best in what you are cooking through

patience constant tasting and the development of flavour sometimes using nothing but some olive oil and salt Filled with recipes for classic dishes and cocktails feast curation seasonal menu suggestions and notes on an Italian pantry and wines A House Party in Tuscany will transport you to the Tuscan countryside and bring the conviviality of Arniano to your table
