peanut pie that combines Chinese peanut sesame brittle with the decadence of a Southern pecan pie and a grilled cheese topped with a crisp fried egg and fiery kimchi And of course she shares the basics how to make soft pillowy steamed buns savory pork dumplings and a simple fried rice that can form the base of any meal Asian food may have a reputation for having long ingredient lists and complicated instructions but Cynthia makes it relatable avoiding hard to find ingredients or equipment and breaking down how to bring Asian flavors home into your own kitchen Above all Cynthia believes that food can bring us together around the same table no matter where we are from The message at the heart of A Common Table is that the food we make and eat is rarely the product of one culture or moment but is richly interwoven and though some dishes might seem new or different they are often more alike than they appear
