for New Talent and her novels *Forged by Fire* and *Copper Sun* have both won the Coretta Scott King Award. Most of her books have been featured on the American Library Association Best Books list, their Top Ten Quick Pick list, and IRA's Young Adult Choice list. In *Sharon M. Draper Embracing Literacy*, author KaaVonia Hinton reveals how Draper became an exceptional teacher and writer and how she uses her writing to urge young people to embrace literacy. Hinton also explores how Draper has made a lasting contribution to the field of young adult literature. This book-length study examines both her life and work and will benefit all students, teachers, and scholars in the field of young adult literature. *Portrait of the Artist as a Young Adult*, Lois Thomas Stover, Connie S. Zitlow, 2013-10-30. Young adults often struggle with confusion or guilt because they perceive themselves as different from others, especially their peers. For some of these individuals, the arts can help them cope with adolescent turmoil, allowing them to express their emotions in poems, stories, paintings, songs, and other creative outlets. Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self-knowledge and finding their way in the world. It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others. In *Portrait of the Artist as a Young Adult: The Arts in Young Adult Literature*, Lois Thomas Stover and Connie S. Zitlow examine books in which the coming of age for young adults is influenced by the arts. Stover and Zitlow consider the connection between the arts and a young person's developing sense of self, the use of art to cope with loss and grief, and how young adults can use art to foster catharsis and healing. The young people in these books either identify as artists or use the arts in intentional ways to explore their identities. They often have artistic gifts that make them stand outside the norms of teenage life, yet those gifts also help them find a sense of community. Artists considered in this book include painters, photographers, sculptors, actors, directors, choreographers, dancers, composers, musicians, graffiti artists, and others. The books discussed also explore the ways adults can nurture the artist's development and understand the way young people sometimes use the arts to form their unique identity. Included is an annotated bibliography organized by art discipline as well as an appendix about using the arts pedagogically. *Portrait of the Artist as a Young Adult*, a valuable resource for educators, parents, librarians, and young adults. **Robin McKinley**, Evelyn M. Perry, 2010-11-16. Since her first book *Beauty: A Retelling of the Story of Beauty and the Beast* was published in 1978, Robin McKinley has enchanted young adult readers for more than thirty years. This study is the first in-depth analysis of McKinley's works, including her award-winning books *The Blue Sword* (Newbery Honor 1983) and *The Hero and the Crown* (Newberry Medal 1985). In *Robin McKinley: Girl, Reader, Woman, Writer*, Evelyn Perry examines McKinley's novels and short stories as grouped into three categories: those set in Damar which introduce and develop the rich geographic, social, political, and linguistic history of McKinley's secondary world; the retellings of folk and fairy tales which reveal not only McKinley's encyclopedic knowledge of source stories but her respectful and highly literate approach to their contemporary adaptation; and her other works, less easily categorized but generally most recent, written for more mature

readers and featuring a diverse set of influences from vampires to homeopathy Perry also explores the feminist articulation of character and social settings that are dominant themes running through McKinley's works Anyone interested in Robin McKinley and her work including secondary and post secondary students faculty and librarians will find Robin McKinley Girl Reader Woman Writer a valuable resource Suzanne Fisher Staples Megan Lynn Isaac, 2009-11-25 After spending more than a decade as a journalist in South Asia Suzanne Fisher Staples turned to writing realistic novels about young people coming of age in modern Pakistan Afghanistan and India as well as the United States Her elegant prose and compelling character development draw readers into lives and cultures that are always warmly appealing In Suzanne Fisher Staples The Setting Is the Story Megan Lynn Isaac explores the award winning novels of this unusual writer Comprised of eight chapters one exploring each of Staples's works six novels and a memoir and an additional chapter detailing the critical reception of her most famous books the Pakistani trilogy Shabanu Haveli and The House of Djinn Isaac considers the predominant themes characters and settings of each work and provides background information about the countries religions art forms and other aspects of the cultures of South Asia that are central to Staples's writing Original material from the author's interviews with Staples provides new insights into her work and experiences Biographical information about Staples both in chronological and narrative form is also included as well as a comprehensive bibliography of scholarly material related to Staples This book will help scholars and fans of Staples to explore the themes and literary techniques employed by her as well as to deepen their understanding of the cultures and traditions upon which she draws Laurie Halse Anderson Wendy J.
