This manual covers service repair procedures for the Roto Hydra-matic transmission manufactured by Hydramatic Division of General Motors Corporation beginning with model year 1961.

This transmission was used by Pontiac in their Catalina and Grand Prix models/cars and by Oldsmobile in their full size cars. A similar but smaller version, model 240, was used by Oldsmobile in their F-85 series cars.

Illustrations and instructions, except where specifically noted otherwise, are characteristic of the model 375. Slight variations between years and application do exist but more exact part number information is available in the United Delco Transmission Parts Manual.
