Ellis's Winning the Loser's Game, Seventh Edition* Everest Media,2022-05-16T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The traditional investment management approach is based on a single core belief investors can beat the market and superior managers will beat the market That optimistic expectation was reasonable 50 years ago but not today Times have changed the markets so much in so many major ways that the premise has proven unrealistic 2 The difference between a winner's game and a loser's game is that in a winner's game the outcome is determined by the correct actions of the winner while in a loser's game the outcome is determined by the mistakes made by the loser 3 The two games are fundamentally opposed Professional tennis is a winner's game the outcome is determined by the actions of the winner Amateur tennis is a loser's game the outcome is determined by the actions of the loser who defeats himself or herself 4 The new rules of the money game are extremely difficult for active mutual fund investment managers to overcome To at least break even they must return more than 10 25 percent before all their costs *From Treaty Peoples to Treaty Nation* Greg Poelzer,Ken S. Coates,2015-07-28 Canada is a country founded on relationships and agreements between Indigenous peoples and newcomers Although recent court cases have upheld Aboriginal title rights the cooperative spirit of the treaties is being lost as Canadians engage in endless arguments about First Nations issues Each new court decision adds fuel to the debate raging between those who want to see an end to special Aboriginal rights and those who demand a return to Aboriginal sovereignty Greg Poelzer and Ken Coates breathe new life into these debates by looking at approaches that have failed and succeeded in the past and offering all Canadians from policy makers to concerned citizens realistic steps forward Rather than getting bogged down in debates on Aboriginal rights they highlight Aboriginal success stories and redirect the conversation to a place of common ground Upholding equality of economic opportunity as a guiding principle they argue that the road ahead is clear if all Canadians take up their responsibilities as treaty peoples Canada will become a leader among treaty nations
