Arc Mark Twain Includes 100 famous quotes of Mark Twain Complete bibliography of Mark Twain Biography of Mark Twain The work wrought by Joan of Arc may fairly be regarded as ranking any recorded in history when one considers the conditions under which it was undertaken the obstacles in the way and the means at her disposal Caesar carried conquests far but he did it with the trained and confident veterans of Rome and was a trained soldier himself and Napoleon swept away

the disciplined armies of Europe but he also was a trained soldier and he began his work with patriot battalions inflamed and inspired by the miracle working new breath of Liberty breathed upon them by the Revolution eager young apprentices to the splendid trade of war not old and broken men at arms despairing survivors of an age long accumulation of monotonous defeats but Joan of Arc a mere child in years ignorant unlettered a poor village girl unknown and without influence found a great nation lying in chains helpless and hopeless under an alien domination its treasury bankrupt its soldiers disheartened and dispersed all spirit torpid all courage dead in the hearts of the people through long years of foreign and domestic outrage and oppression their King cowed resigned to its fate and preparing to fly the country and she laid her hand upon this nation this corpse and it rose and followed her She led it from victory to victory she turned back the tide of the Hundred Years War she fatally crippled the English power and died with the earned title of DELIVERER OF FRANCE which she bears to this day And for all reward the French King whom she had crowned stood supine and indifferent while French priests took the noble child the most innocent the most lovely the most adorable the ages have produced and burned her alive at the stake
