**Emanuel Christ, Christoph Gantenbein**

### **Remaking Cities Techning At Eth Zurich 2010 2013 Review No Iii:**

*Remaking Cities* Emanuel Christ, Christoph Gantenbein, 2021-08-15 In the fifteen years since the establishment of Christ Gantenbein Architects in Basel the firm has worked on a remarkable range of projects office buildings housing bridges refurbishment of historic buildings and large scale urban master plans And their work can be found all over the world including Switzerland Germany the United Kingdom China and Mexico *Remaking Cities* brings that experience and the knowledge gained from it to bear on the timely question of what a contemporary city should be Using projects created by students from ETH Zurich as examples Emanuel Christ and Christoph Gantenbein make a strong case for looking at cities specifically in terms of their buildings and for how we should rethink architecture along more sound ecological and economic lines

*Ideologies and Infrastructures of Religious Urbanization in Africa* David Garbin, Simon Coleman, Gareth Millington, 2022-11-17 How do urbanization and development intersect with religious dynamics to shape contemporary African cityscapes To answer this timely question contributors from across Europe North America and Africa are brought together to explore mega cities including Lagos Cape Town Dar es Salaam and Kinshasa as powerful venues for the creation and implementation of religious models of urbanization and development This book interrogates how religious socio spatial models and strategies engage with challenges of infrastructural development urban social cohesion inequalities and inclusion Chapters explore how faith based practices of urban and infrastructural development link moral subjectivities with individual and wider aspirations for modernization change deliverance and prosperity The volume brings together ethnographically rich and theoretically grounded case studies of religious urbanization across the African continent It advances discussions of the ambivalent role of urban religion in development and documents the complex multifaceted socio cultural and political dynamics associated with religious urbanization in Africa
