And a mysterious elderly warrior along with the untested warriors of ComStar is the Inner Sphere's last defense against total defeat. [The Power of the Blood](#) George Mfula, *The Power of the Blood* is worth reading. There is untapped power in the blood of Jesus. No devil can stand the blood that Jesus shed on Calvary. Our redemption in Christ Jesus is a function of the blood He shed for us. Each time you engage the mystery of the blood of Jesus in your life, sickness and disease can't stand you. It is an error as a church to do away with the blood of Jesus which Jesus Himself used to purchase His glorious Church. Any church that will do that has missed it and needs a lot of spiritual help. In this book we are going to talk about the blood of Jesus, nothing else. We may have blood today in this world, but only the blood of Jesus is what matters. It is an enormous risk to be a child of God and know nothing about the blood of Jesus. There are some churches where the blood of Jesus never matters or gets mentioned. Pastors have stopped preaching about it. God forbid! It is scary and a reduction to the entire purpose of God's divine plan of the blood. I believe it is time for you and me to revisit our spiritual foundations. The mystery behind the blood of Jesus dates back as far as the blood God shed in the Garden of Eden. When Adam and Eve sinned against God, they needed atonement for them to stand before God. Otherwise, there was no way they could have even spoken to Him. God. Instead, God killed an animal and used the blood to cover their spiritual nakedness. Then He used the animal skin to cover their physical nakedness. Shedding blood for atonement was instituted by God in the Garden of Eden. It is non-negotiable. Get this book. You will scale greater heights of wisdom, understanding, knowledge, and spiritual growth in Christ Jesus.

The Body and the Blood Charles M. Sennott, M. Sennott, 2008-08-05. As the Middle East has gone up in flames, no image so captured the clash of cultures as did the siege at the Church of the Nativity.

where Christian monks were trapped inside the fortress like church as Palestinian gunmen faced off against the Israeli military for five weeks As Muslim and Jew battled for control the Christians were caught in the crossfire endangered and largely forgotten victims of somebody else s war In The Body and the Blood Charles M Sennott examines the dwindling Christian communities of the modern Middle East in search of answers to the following questions Why is Christianity dying out in the land where it began And what are the consequences not only for the future of Christianity but for the Middle East itself From Israel to Lebanon to Egypt to Jordan to the ancient cities of the West Bank Sennott finds that the themes resonating today are the same as those that convulsed the region at the time of Christ His frontline reporting is powerful and provocative as he shines a new light on the Middle East 100 Decrees Pleading the Blood of Jesus Tella Olayeri,2020-11-28
