

Initial Reminder: One Week Before the Bill Due Date

Email subject: Follow-up on invoice #10237

Message:

Hi John Doe,

I hope you're well. This is just to remind you that payment on invoice #10237, which we sent on March 25th, will be due next week.

I'm sure you're busy, but I'd appreciate if you could take a moment and look over the invoice when you get a chance. Please let me know if you have any questions.

Thank you!
Jane Doe

- **Why this payment reminder works:** Your first reminder should be short, friendly, and informative. There's no need to bother your customer with too much information, and you don't need to request payment straight away as the bill isn't due yet. In this email, the customer should recognize that you regularly track your invoices, so you'll get back in touch with them if they don't send their bill on time.
