**USB port E-type for charging**  
When the quartz is charging, the LCD on the front will light when charging. When the battery is fully charged, the LCD will turn off.

These are the only two studies that have been subjected to the complete protocol of external review.

- Do not apply shock to the remote control.
- Be careful not to let foreign substances such as metal, liquid, or dust come in contact with the charging terminal of the remote control.
- When the remote control is damaged when used indoors or during travel, immediate discontinuation and then disposal is the Samsung's recommendation.
- Do not arbitrarily disassemble the remote control.
- Be careful not to let infants or toddlers play with the remote control. Fire or explosion may occur, resulting in damage to the remote control or personal injury.
