The Art of Forgiveness Gregory A. Clark, 2011-10-12 A father and his love taught his children of faith hard work and overcoming obstacles Chef was a hard working man who demanded much and gave much to all he encountered Little did his family realize just how important those life lessons would become as they faced the hardest of challenges without him Although Chef had guided one child through the pitfalls of drugs and launched others to high achieving college degrees and careers he wasn't able to help his youngest son succeed and thrive At least not while he was still alive on this earth You see Chef was shot dead by the young son he so desperately wanted to save *The Art of Forgiveness* is the story of the final chapters of Chef's life legacy as they played out after his death It is a journey of faith and hope as a family coped with tragedy times two A father murdered and a son lost to drugs mental illness and the prison system How was a family to recover from such great and tragic loss Who would lead them Was forgiveness even possible Where would the road to healing start This is the faith journey of the Clark family as they struggling through and succeeding in the ultimate form of redemption forgiveness and love Told by oldest son Greg it is a tale of not only tragedy but also faith healing restoration and peace It is a story designed to encourage and inspire MY ANSWERS

the 5 ways that God does answer prayer I realize that there are many ways to examine this part of our study but we only have so much patience for God's Word. By the time you get to the end of this book you will be thoroughly worn out or disgusted. I hope so. That is my goal. Many children and families are confused. They need to know that the Son of God Jesus Christ is the way to a better today and tomorrow and it is through the courage and persistence of prayer. Whether you are a young father or an older father married or divorced, this book will help you understand the power of prayer in living your life and helping your family and or children to deal with the struggles of growing up. *The Art of War* Dr. Gene Herndon, 2019-05-01. Do you know your enemy and about his tactics? Whether we know it or not, we are all in a battle today. Satan and his invisible demon emissaries are active, devious, and would like nothing more than to break apart your family, weaken your convictions, destroy your church, blemish the integrity of its leaders, and render you powerless in this life. Because the stakes are so high, you need to be equipped and ready to defend yourself from attacks and fight the good fight. We know that the struggle is real. This book offers you the insights and tools you'll need to understand and engage the enemy on God's terms and with his protection and blessing.
