1. What were your overall pre and post-test scores on the related assignment? Did your score improve – why or why not?

My pretest score was 40% and my post test score was 80%. I reviewed all the material provided and after I completed each section I reviewed each review section thoroughly.

2. What subject areas did you find you were most knowledgeable in? What factors do you think impacted your performance in these areas?

During the modules, I liked the sections discussing Charismatic & Transformation Leadership, Contingency Leadership and Leadership Styles. I also think I did better on these sections because of some of the research articles I read for the Discussion assignment. The modules reminded me of what I had ready.

3. What subject areas did you find most challenging? What factors do you think impacted your performance in these areas? What is your greatest area(s) for improvement?

I found the Traits, Motives, and characteristics of a leader challenging. Learning this area is more involved and there was a lot of information I seemed to confuse with another. I improved the most in the
