Remaining Loyal Social Democracy In Quebec And Saskatchewan

Bryan M. Evans, Carlo Fanelli

Remaining Loyal Social Democracy In Quebec And Saskatchewan:

Remaining Loyal David McGrane, 2014-10-31 How social democrats have changed with the times while their key values have stayed the same **The New NDP** David McGrane, 2019-05-15 The New NDP is the definitive account of the evolution of the New Democratic Party's political marketing strategy in the early twenty first century In 2011 the federal NDP achieved its greatest electoral success becoming the official opposition under Jack Layton's leadership David McGrane argues that the key to the party's electoral success of 2011 lies in the moderation of its ideology and modernization of its campaign structures Those changes brought the party closer to governing than ever before but ultimately not into power McGrane then poses a difficult question Was remaking the NDP message and revitalizing its campaign model the right choice after all considering it fell to its perennial third party spot in 2015 The New NDP examines Canada's NDP at a pivotal time in its history and provides lessons for progressive parties on how to win elections in the age of the internet big data and social media Party of Conscience Roberta Lexier, Stephanie Bangarth, Jonathan Weier, 2018-09-24 Surveying the field of political history in Canada one might assume that the politics of the nation have been shaped solely by the Liberal and Conservative parties Relatively little attention has been paid to the contributions of the CCF and NDP in Canadian politics This collection remedies this imbalance with a critical examination of the place of social democracy in Canadian history and politics Bringing together the work of politicians think tank members party activists union members scholars students and social movement actors in important discussions about social democracy delving into an array of topics including municipal provincial and national issues labour relations feminism contemporary social movements war and society security issues and the media Party of Conscience reminds Canadians of the important contributions the CCF and NDP have made to a progressive compassionate idea of Canada *Fiscal Federalism in Multinational States* François Boucher, Alain Noël, 2021-07-21 Substate nationalism is often studied as a question of political identity and cultural recognition The same applies to the study of multinational federalism it is mainly conceived as a tool for the accommodation of minority cultures and identities Few works in political philosophy and political science pay attention to the fiscal and redistributive dimensions of substate nationalism and multinational federalism Yet nationalist movements in Western countries make crucial claims about fiscal autonomy and the fair distribution of resources between national groups within the same state In recent years Scottish nationalists have demanded greater tax autonomy Catalan and Flemish nationalists have viewed themselves as unfairly disadvantaged by centralized fiscal arrangements and equalization payments and social transfers in Canada have exacerbated tensions within the federation In *Fiscal Federalism in Multinational States* contributors from political philosophy and political science disciplines explore the fiscal side of substate nationalism in Canada Belgium the United Kingdom Spain and Australia Chapters examine the connection between secessionist claims and interregional redistributive arrangements power relations in federations where taxing and spending responsibilities are shared between orders of government the

relationship between substate nationalism and fiscal autonomy and the role of federal governments in redistributing resources among substate national groups **Fiscal Federalism in Multinational States** brings together scholars of nationalism and federalism in a groundbreaking analysis of the connections between nationalist claims and fiscal debates within plurinational states **Canadian Parties in Transition, Fourth Edition** Alain-G. Gagnon, A. Brian Tanguay, 2017-01-01

Canadian Parties in Transition examines the transformation of party politics in Canada and the possible shape the party system might take in the near future With chapters written by an outstanding team of political scientists the book presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors The new material covers topics such as the return to power of the Liberal Party voting politics in Quebec women in Canadian political parties political campaigning digital party politics and municipal party politics **The Curriculum History of Canadian Teacher Education** Theodore Michael Christou, 2017-08-07 Organized by region this edited collection provides a comprehensive look at how teacher education has evolved regionally and nationally in Canada Offering an in depth look at specific provinces and territories this volume contextualizes the landscape of Canadian public education and the place of teacher education within it Shedding light on the ways Canadian teacher education was shaped by and in turn influenced its environment contributors evaluate the current state of education and consider themes tensions and historical developments presenting a view of teacher education that encompasses both its future and its past A significant contribution to the field of curriculum history this book offers a benchmark for conversations about the purposes means and ends of teacher education in Canada

Against Political Compromise Alexander Ruser, Amanda Machin, 2017-07-14 Political compromise is emerging as a preferred solution for numerous apparently intractable problems Many have pointed to the rising degree of political polarisation around issues such as climate change immigration and abortion These are wicked problems that are clearly not conducive to any sort of political consensus The groups and individuals who are party to these issues disagree often both fully and fiercely As an alternative political compromise seemingly offers a way of respecting difference while simultaneously generating a decision upon which policy can move forward But proponents of political compromise should also acknowledge its significant weaknesses and dangers Invoking recent examples from various policy areas to illustrate their claims the authors assert that compromise can disguise inequality reduce plurality and heighten uncertainty In short compromise can weaken democracy and must not be seen as some sort of political panacea This concise accessible text offers a strong and provocative argument that provides a crucial counterpoint to the promise of compromise It should prove of interest to students and scholars interested in compromise and consensus as well as democratic governance social inequality political apathy and environmental politics **Four Lenses of Population Aging** Patrik Marier, 2021-05-05 This book analyses the actions and plans enacted by the ten Canadian provinces to prepare for the new reality of an aging society **Unions in**

Court Larry Savage, Charles W. Smith, 2017-06-09 Since the turn of the twenty first century Canadian unions have scored a number of important Supreme Court victories securing constitutional rights to picket bargain collectively and strike But how did the labour movement historically hostile to judicial intervention in labour relations come to embrace legal activism as a first line of defense as opposed to a last resort Unions in Court documents the evolution of the Canadian labour movement s engagement with the Charter demonstrating how and why labour has adopted a controversial Charter based legal strategy to challenge and change legislation that restricts union rights This book s in depth examination of constitutional labour rights will have critical implications for labour movements as well as activists in other fields **The Constant Liberal** Christo Aivalis, 2018-05-15 Pierre Elliott Trudeau radical progressive or unavowed socialist His legacy remains divisive Most scholars portray Trudeau s ties to the left as evidence either of communist affinities or of ideals that led him to found a progressive modern Canada The Constant Liberal traces the charismatic politician s relationship with left and labour movements throughout his career Christo Aivalis argues that although Trudeau found key influences and friendships on the left he was in fact a consistently classic liberal driven by individualist and capitalist principles While numerous biographies have noted the impact of the left on Trudeau s intellectual and political development this comprehensive analysis showcases the interplay between liberalism and democratic socialism that defined his world view and shaped his effective use of power The Constant Liberal suggests that Trudeau s leftist activity was not so much a call for social democracy as a warning to fellow liberals that lack of reform could undermine liberal capitalist social relations *Neoliberal Contentions* Lois Harder, Catherine Kellogg, Steve Patten, 2022-12-21 Since the 1980s neoliberalism has had a major impact on social life and in turn research in the social sciences Emerging from the crisis of the Keynesian welfare state neoliberalism describes a social transformation that has impacted relationships between citizens and the state consumers and the market and individuals and groups Neoliberal Contentions offers original essays that explore neoliberalism in its various guises It includes chapters on economic policy and restructuring resource extraction multiculturalism and equality migration and citizenship health reform housing policy and 2SLGBTQ communities Drawing on the work of influential Canadian political economist Janine Brodie the contributors use Brodie s scholarship as a springboard for their own distinct analyses of pressing political and social issues Acknowledging neoliberalism s crises failures and contradictions this collection contends with neoliberalism by diagnosing the present situating the phenomenon within a broader historical and political economic context and observing instances in which neoliberal rationality is reinforced as well as resisted **Why the Left Loses** Paul Kennedy, Rob Manwaring, 2018 Social Democracy is on the back foot and increasingly centre left political parties are struggling to win office Bringing together a range of leading academics and experts on social democratic politics and policy Why the left loses offers an international comparative view of the changing political landscape examining the degree to which the centre left project is exhausted and is able to renew its message in a neo liberal age Using case studies from the UK Germany Spain France

Australia and New Zealand contributors argue that despite different local and specific contexts the mainstream centre left is beset by a range of common challenges Analysis focuses on institutional and structural factors the role of key individuals especially party leaders and the atrophy of progressive ideas in explaining why the centre left is currently in retreat Why the Left Loses is aimed at stimulating wider debate about the fortunes of the centre left

The Palgrave Handbook of Gender, Sexuality, and Canadian Politics Manon Tremblay, Joanna Everitt, 2020-11-20 The Palgrave Handbook of Gender Sexuality and Canadian Politics offers the first and only handbook in the field of Canadian politics that uses gender which it interprets broadly as inclusive of sex sexualities and other intersecting identities as its category of analysis Its premise is that political actors identities frame how Canadian politics is thought told and done in turn Canadian politics as a set of ideas state institutions and decision making processes and civil society mobilizations does and redoes gender Following the standard structure of mainstream introductory Canadian politics textbooks this handbook is divided into four sections ideologies institutions civil society and public policy each of which contains several chapters on topics commonly taught in Canadian politics classes The originality of the handbook lies in its approach each chapter reviews the basics of a given topic from the perspective of gendered sexualized and other intersectional identities Such an approach makes the handbook the only one of its kind in Canadian Politics

Austerity Bryan M. Evans, Stephen McBride, 2017-10-03 Bryan M Evans Stephen McBride and their contributors delve further into the more practical ground level side of the austerity equation in Austerity The Lived Experience Economically austerity policies cannot be seen to work in the way elite interests claim that they do Rather than soften the blow of the economic and financial crisis of 2008 for ordinary citizens policies of austerity slow growth and lead to increased inequality While political consent for such policies may have been achieved it was reached amidst significant levels of disaffection and strong opposition to the extremes of austerity The authors build their analysis in three sections looking alternatively at theoretical and ideological dimensions of the lived experience of austerity how austerity plays out in various public sector occupations and policy domains and the class dimensions of austerity The result is a ground breaking contribution to the study of austerity politics and policies

The Public Sector in an Age of Austerity Bryan M. Evans, Carlo Fanelli, 2018-07-23 Following the 2008 global financial crisis Canada appeared to escape the austerity implemented elsewhere but this was spin hiding the reality A closer look reveals that the provinces responsible for delivering essential public and social services such as education and healthcare shouldered the burden The Public Sector in an Age of Austerity examines public sector austerity in the provinces and territories specifically addressing how austerity was implemented what forms austerity agendas took from regressive taxes and new user fees to public sector layoffs and privatization schemes and what if any political responses resulted Contributors focus on the period from 2007 to 2015 the global financial crisis and the period of fiscal consolidation that followed while also providing a longer historical context austerity is not a new phenomenon A granular examination of each jurisdiction identifies how changing fiscal conditions have

affected the delivery of public services and restructured public finances highlighting the consequences such changes have had for public sector workers and users of public services The first book of its kind in Canada The Public Sector in an Age of Austerity challenges conventional wisdom by showing that Canada did not escape post crisis austerity and that its recovery has been vastly overstated *The Canadian Federal Election of 2015* Jon H. Pammett, Christopher Dornan, 2016-06-11 The Hill Times Best Books of 2016 Written by the foremost authorities The Canadian Federal Election of 2015 provides a complete investigation of the election A comprehensive analysis of the campaigns and the election outcome this collection of essays examines the strategies successes and failures of the major political parties the Conservatives the Liberals the New Democrats the Bloc Qu b cois and the Green Party Also featured are chapters on the changes in electoral rules the experience of local campaigning the play of the polls the campaign in the new media the role of the debates and the experience of women in the campaign The book concludes with a detailed analysis of voting behaviour in 2015 and an assessment of the Stephen Harper dynasty Appendices contain all of the election results The Canadian Federal Election of 2015 is the tenth volume in a series that has chronicled every national election campaign since 1984 The Canadian Federal Election of 2019 Jon H. Pammett, Christopher Dornan, 2020-12-17 The Canadian federal election of 2019 is extensively analyzed in this collaborative volume edited by Jon Pammett and Christopher Dornan Bringing together leading political scientists and media scholars the book examines the strategies successes and failures of each of Canada s major political parties with special attention given to the pressing question of climate change In Canadian elections the context of the campaign is vital Here contributors consider in detail the way public opinion polls were reported leading up to the election how traditional media portrayed events why the electorate waited to make up their minds and the means by which social media dealt with fears of a disinformation wave The book uses data to identify the important factors in determining the voting behaviour of Canadians in 2019 and the ways these factors combined to produce a minority Liberal government The Canadian Federal Election of 2019 is the essential resource for every interested political observer wanting to dissect the last election and required reading to prepare for the next one *Les partis politiques canadiens en transition* Alain-G. Gagnon, A. Brian Tanguay, 2026-10-08T00:00:00-04:00 Apr s 35 ans d existence en anglais Les partis politiques canadiens en transition fait son entr e en fran ais Cette nouvelle dition explore l volution des partis canadiens leurs dynamiques id ologiques l impact des nouvelles technologies et l mergence de mouvements populistes Un ouvrage essentiel pour comprendre l avenir de la politique canadienne **Permanent Campaigning in Canada** Alex Marland, Thierry Giasson, Anna Lennox Esselment, 2017-05-26 Election campaigning never stops That is the new reality of politics and government in Canada where everyone from staffers in the Prime Minister s Office to backbench MPs practise political marketing and communication as though each day were a battle to win the news cycle Permanent Campaigning in Canada examines the growth and democratic implications of political parties relentless search for votes and popularity and what constant electioneering means

for governance With the emergence of fixed date elections and digital media each day is a battle to win mini contests the news cycle public opinion polls quarterly fundraising results by elections and more The contributors case studies reveal how political actors are using all available tools at their disposal to secure electoral advantage This is the first study of a phenomenon including the use of public resources for partisan gain that has become embedded in Canadian politics and government

L'économie sociale au Québec Gabriel Arsenault, 2018-04-25T00:00:00-04:00 Comment le Québec est-il parvenu à développer un véritable système pour son économie sociale S'appuyant sur un impressionnant corpus de données statistiques et documentaires ainsi que sur plus de 70 entretiens effectués auprès de plus de fonctionnaires et de leaders de la société civile Gabriel Arsenault démontre que la trajectoire distincte du Québec dans ce domaine s'explique par deux facteurs clés la grande mobilisation de sa gauche et sa tradition de concertation

This is likewise one of the factors by obtaining the soft documents of this **Remaining Loyal Social Democracy In Quebec And Saskatchewan** by online. You might not require more grow old to spend to go to the books inauguration as without difficulty as search for them. In some cases, you likewise complete not discover the publication Remaining Loyal Social Democracy In Quebec And Saskatchewan that you are looking for. It will unconditionally squander the time.

However below, once you visit this web page, it will be for that reason unconditionally easy to get as capably as download guide Remaining Loyal Social Democracy In Quebec And Saskatchewan

It will not endure many times as we accustom before. You can attain it though perform something else at house and even in your workplace. suitably easy! So, are you question? Just exercise just what we find the money for under as with ease as evaluation **Remaining Loyal Social Democracy In Quebec And Saskatchewan** what you taking into account to read!
