The important stuff you need to know: Get dialed in. Learn your way around the Galaxy S II's calling and texting features. Go online. Browse the Web, manage email and download apps with Galaxy S II's 3G/4G network or create your own hotspot. Master your media. Shoot and share pictures and video, organize and play your music library and send it wirelessly to your TV or stereo. Be entertained now. Start watching movies and TV shows while they're still loading. Explore the world. Get news and weather, find a location and navigate by GPS. Check your schedule. Use the convenient calendar app and sync it with your Google and Outlook calendars. Preston Gralla is the author of more than 40 books including Missing Manuals on Droid X2, Xoom and Galaxy Tab. He's the editor of WindowsDevCenter.com and OnDotNet and a contributing editor to Computerworld.

The Oxford Handbook of Sports Economics Volume 2 Leo H. Kahane, Stephen Shmanske, 2012-05-24 Shmanske and Kahane have organized over 50 essays from prominent Sports Economists into two volumes around two related themes. This second volume explains how sports helps economics via quality data used to test a variety of economic theories.

Handbook of the London 2012 Olympic and Paralympic Games Vassil Girginov, 2013 The Handbook of the London 2012 Olympic and Paralympic Games is an officially licensed account of the world's greatest sporting and cultural event. It tells the complete story of the 2012 Games from inception through the successful bidding process and the planning and preparation phase to delivery, the post Games period and legacy. Written by a world class team of international sport scholars, researchers and writers, the book offers comprehensive analysis of the full social, cultural, political, historical, economic and sporting context of the Games. From the political, commercial and structural complexities of organising an event on such a scale to the sporting action that holds the attention of the world, this book illuminates every aspect of the 2012 Games, helping us to better understand the vital role that sport and culture play in contemporary global society. The book is divided into two volumes. Volume One: Making the Games examines the build up to London 2012, covering key topics such as the bidding process, planning and decision making, financing the Games, developing the infrastructure, engaging national and international governing bodies of sport, engaging the UK public, engaging a global public, developing a legacy programme, the Cultural Olympiad. Richly illustrated with the personal accounts of key stakeholders from sports administrators and politicians to athletes and spectators and including essential data and evocative visual material, this book is essential reading for anybody with a personal or professional interest in the Olympic and Paralympic Games, global culture or the development of sport.
