

A Message from the Governor

Motorcycling is a popular choice for economical and convenient travel. More than 241,000 New Yorkers use motorcycles for commuting, touring and recreational activities.

The New York State Motorcycle Safety Program is dedicated to improving motorcycle safety. We recognize the need to promote rider education and motorcycle awareness for all motorists. Through education and greater public awareness, motorcycling can be a safe and enjoyable activity. This manual will help to make your motorcycle traveling safer. I urge you to read it carefully and to follow its good advice: keep your motorcycle in good condition, wear a helmet and protective clothing, drive defensively, always obey the rules of the road and never drink and drive.

Motorcyclist's Legal Handbook Pat Hahn, 2012-01-15 Motorcyclists face legal challenges that non motorcyclists don't even consider. Unfortunately many motorcyclists are ignorant of those challenges as well until they find themselves in legal trouble. In addition to all the physical hazards of the road motorcyclists must negotiate a seemingly endless array of legal hazards from the myriad licensing requirements and restrictions that vary from state to state to the issue of anti motorcycle bias among law enforcement officials. While motorcycle magazines frequently publish articles addressing various aspects of the legal issues with which a rider must contend there has never been a one stop source that contains all of this information until now. *Motorcyclist's Legal Handbook* collects all the information a rider needs to know in one comprehensive volume.
