Fiscal Affairs Dept.,2017-05-03 Despite the development of fiscal responsibility legislation several weaknesses in fiscal transparency have had adverse effects on the quality of fiscal policy many of which are being addressed Brazil has made significant progress over recent decades in providing regular information on the budget and its implementation at all levels of government partly driven by the 2000 Fiscal Responsibility Law FRL These include advances in implementing international standards to improve the quality of data

At the same time fiscal transparency has been undermined by weaknesses in the fiscal framework and by practices that are inconsistent with the principles of the FRL including unreported liabilities the pedaladas These include incomplete information on policies and their costs or risks accounting changes and lack of clarity on fiscal reporting standards that undermine the effectiveness of the fiscal rules at all levels of government lack of transparency in the relationship between the central government and public banks and between the central government and subnational governments and corruption involving some of the largest public enterprises Since 2015 important efforts have been underway to address some of these weaknesses

Religious Politics in Turkey Ceren Lord, 2018-11-08 Since the elections of 2002 Erdogan's AKP has dominated the political scene in Turkey This period has often been understood as a break from a secular pattern of state building But in this book Ceren Lord shows how Islamist mobilisation in Turkey has been facilitated from within the state by institutions established during early nation building Lord thus challenges the traditional account of Islamist AKP's rise that sees it either as a grassroots reaction to the authoritarian secularism of the state or as a function of the state's utilisation of religion Tracing struggles within the state Lord also shows how the state's principal religious authority the Presidency of Religious Affairs Diyanet competed with other state institutions to pursue Islamisation Through privileging Sunni Muslim access to state resources to the exclusion of others the Diyanet has been a key actor ensuring persistence and increasing salience of religious markers in political and economic competition creating an amenable environment for Islamist mobilisation
