Documentation Manual for Occupational Therapy Crystal Gateley, 2024-06-01

The best-selling newly updated occupational therapy textbook, *Documentation Manual for Occupational Therapy*, Fifth Edition, is made for students and early career practitioners learning the critical skill of documentation. The workbook format offers students ample opportunities to practice writing occupation-based problem statements and goals, intervention plans, SOAP notes, and other forms of documentation. The Fifth Edition has also been updated to reflect changes in the American Occupational Therapy Association's Occupational Therapy Practice Framework: Domain and Process, Fourth Edition. What's included in *Documentation Manual for Occupational Therapy*: Numerous worksheets for students to practice individual skills with suggested answers provided in the Appendix. Updated information on coding, billing, and reimbursement to reflect recent Medicare changes, particularly in post-acute care settings. Examples from a variety of contemporary occupational therapy practice settings. Included with the text are online supplemental materials for faculty use in the classroom. Instructors in educational settings can visit the site for an Instructor's Manual with resources to develop an entire course on professional documentation or to use the textbook across several courses. One of the most critical skills that occupational therapy practitioners must learn is effective documentation to guide client care, communicate with colleagues, and maximize reimbursement. The newly updated and expanded *Documentation Manual for Occupational Therapy*, Fifth Edition, will help students master their documentation skills before they ever step foot into practice.

The OTA's Guide to Documentation Marie Morreale, 2024-06-01

The bestselling newly updated occupational therapy assistant (OTA) textbook, *The OTA's Guide to Documentation: Writing SOAP Notes*, Fifth Edition, explains the critical skill of documentation while offering multiple opportunities for OTA students to practice documentation through learning activities, worksheets, and bonus videos. The Fifth Edition contains step-by-step instruction on occupational therapy documentation and the legal, ethical, and professional documentation standards required for clinical practice and reimbursement of services. Students and professors alike can expect the same easy-to-read format from previous editions to aid OTAs in learning the purpose and standards of documentation throughout all stages of the occupational therapy process and different areas of clinical practice. Essentials of documentation, reimbursement, and best practice are reflected in the many examples presented throughout the text. Worksheets and learning activities provide the reader with multiple opportunities to practice observation skills and clinical reasoning, learn documentation methods, create occupation-based goals, and develop a repertoire of professional language. Templates are provided to assist beginning OTA students in formatting occupation-based SOAP notes, and the task of documentation is broken down into smaller units to make learning easier. Other formats and methods of recording client care are also explained, such as the use of electronic health records and

Crafts and Creative Media in Therapy Carol Tubbs, Margaret Drake, 2024-06-01. For more than 20 years *Crafts and Creative Media in Therapy* Fifth Edition has been an illuminating reference for the use of creative approaches in helping clients achieve their therapeutic goals. Carol Crellin Tubbs has included a range of craft and creative activity categories from paper crafts to cooking to the use of recycled materials and everything in between. Each chapter includes a brief history of the craft, several projects along with suggestions for grading or adapting, examples of related documentation, and a short case study. The text also features chapters on activity analysis, general strategies for implementation of creative activities, and documentation, as well as a chapter describing the relevance of this media from both historical and current occupation-based perspectives. In this updated Fifth Edition, the craft projects have been updated and numerous resources and links for more ideas have been added. There are new chapters on making therapy tools and crafting with a purpose, and the recycled and found materials chapter has been expanded in keeping with cultural trends. A flow chart has been added to each case study to help students better understand the process and rationale for tailoring activities for individual client needs, and project suggestions for working on specific performance skills or client factors are scattered throughout the chapters. Other additions include a behavioral observation checklist as an aid in evaluation and documentation, and several illustrations to help students distinguish between the use of occupation as means and occupation as end. This Fifth Edition also includes an updated instructors' manual with additional resources and suggestions for lesson planning. *Crafts and Creative Media in Therapy* Fifth Edition not only provides a wide assortment of craft ideas and instructions but also provides multiple suggestions for therapeutic uses for activities in each category. It includes ways to grade activities to best achieve therapy objectives and examples of documentation for reimbursement. For each craft category, there is discussion on precautions for use with certain populations, contextual limitations, and safety considerations. Information is presented in several different formats, such as examples, tables, illustrations, and other formats to promote student understanding. Included with the text are online supplemental materials for faculty use in the classroom. *Crafts and Creative Media in Therapy* Fifth Edition is the foremost resource for using creative approaches in helping clients achieve their therapeutic goals and should be used by all occupational therapists, occupational therapy assistants, and recreational therapists.
