Schecter,2012-11-12 These personal essays by first and second language researchers and practitioners reflect on issues events and people in their lives that helped them carve out their career paths or clarify an important dimension of their missions as educators Their narratives depict the ways in which professionals from diverse backgrounds and work settings have grappled with issues in language education that concern all of us the sources and development of beliefs about language and education the constructing of a professional identity in the face of ethical and ideological dilemmas and the

constraints and inspirations of teaching and learning environments They have come together as a collective to engage in a courageous new form of academic discourse one with the potential to change the field Many of the authors write their stories of having begun their work with voices positioned at the margins Now as established professionals they feel strong enough collectively to risk the telling and through their telling to encourage other voices This volume is intended to provide graduate students teachers and researchers in language education with insights into the struggles that characterize the professional development of language educators Both readers and contributors should use the stories to view their own professional lives from fresh perspectives and be inspired to reflect in new ways on the ideological ethical and philosophical underpinnings of their professional personae

Student Voice Teacher's Special: 100 Teen Essays + 35 Ways to Teach Argument Writing Katherine Schulten, 2020-10-14 Help your students craft convincing arguments with award winning mentor texts written by teenagers and companion teaching guide This bundle includes one copy each of Student Voice 100 Argument Essays by Teens on Issues That Matter to Them and Raising Student Voice 35 Ways to Help Students Write Better Argument Essays from The New York Times Learning Network At a time when examples of student voice are everywhere from Greta Thunberg to the Parkland students to the teenagers in the streets of Hong Kong the argument writing that students study in school is still almost entirely written by adults It is a wholly different experience for teenagers to study the work of their peers It's relatable It's relevant And it doesn't feel like an untouchable ideal In this new collection of 100 essays curated by The New York Times students will find mentor texts written by their peers 13-18 year olds on a wide range of topics including social media race school lockdown drills immigration tackle football the MeToo movement and COVID-19 For any teacher who feels that students write better when they have some choice over the topic and form when they write for an audience beyond the teacher and a purpose beyond a grade and when they get to sound like themselves this anthology is an invaluable resource to accompany any composition text In the companion teacher's guide Katherine Schulten a former teacher and writing coach herself provides teachers with 35 strategies and classroom ready activities for using these peer mentor texts with their students Raising Student Voice also includes 500 writing prompts a topic generator with questions to help students decide what they'd like to write about and a sample essay annotated with the comments of Times judges

Crafting The Personal Essay Dinty W. Moore, 2010-09-08 Award winning essayist Scott Russell Sanders once compared the art of essay writing to the pursuit of mental rabbits a rambling through thickets of thought in search of some brief glimmer of fuzzy truth While some people persist in the belief that essays are stuffy and antiquated the truth is that the personal essay is an ever changing creative medium that provides an ideal vehicle for satisfying the human urge to document truths as we experience them and share them with others to capture a bit of life on paper Crafting the Personal Essay is designed to help you explore the flexibility and power of the personal essay in your own writing This hands on creativity expanding guide will help you infuse your nonfiction with honesty personality and energy You'll discover An exploration of the basics of essay writing Ways

to step back and scrutinize your experiences in order to separate out what may be fresh powerful surprising or fascinating to a reader How to move past private journaling and write for an audience How to write eight different types of essays including memoir travel humor and nature essays among others Instruction for revision and strategies for getting published Brimming with helpful examples exercises and sample essays this indispensable guide will help your personal essays transcend the merely private to become powerfully universal

Women, Work, and the Web Carol Smallwood, 2014-12-05 In a tight economy women entrepreneurs are making progress in a field that has been traditionally along with science math and engineering one which women haven't been well represented technology Women Work and the Web How the Web Creates Entrepreneurial Opportunities is by contributors from the United States and Canada sharing how the Internet has opened doors leveled the playing field and provided new opportunities How the Internet has helped women with young children caretakers of disabled family members women with disabilities How it has helped female veterans gain employment put women into work boots publish in a male dominated world become editors online instructors and hold the First International Day of the Girl The twenty eight chapters are divided into five parts Fostering Change Running a Business Educational Applications Personal Aspects Publishing and Writing It is exciting to see how the creative contributors of different ages backgrounds and goals are using the Web to further their careers and the status of other women as they progress online

Literature for Young Adults Joan L. Knickerbocker, James A. Rycik, 2019-08-28 Now in its second edition this book explores a great variety of genres and formats of young adult literature while placing special emphasis on contemporary works with nontraditional themes protagonists and literary conventions that are well suited to young adult readers It looks at the ways in which contemporary readers can access literature and share the works they're reading and it shows teachers the resources that are available especially online for choosing and using good literature in the classroom and for recommending books for their students' personal reading In addition to traditional genre chapters this book includes chapters on literary nonfiction poetry short stories and drama and film Graphic novels diversity issues and uses of technology are also included throughout the text The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their peers and others when communicating about books This book is an essential resource for preservice educators to help young adults understand and appreciate the excellent literature that is available to them New to the second edition New popular authors books and movies with a greater focus on diversity of literature Updated coverage of new trends such as metafiction a renewed focus on nonfiction and retellings of canonical works Increased attention to graphic novels and multimodal texts throughout the book eResources with downloadable materials including book lists awards lists and Focus Questions
