Political And Legal Obligation Nomos Xii

IM Harris

Political And Legal Obligation Nomos Xii:

Political and Legal Obligation J. Roland Pennock, 2017-07-12 At a point in history marked by dramatic challenges to the existing political and social order the question of legal and political obligation emerges as a focal point of international concern Amid the clamor for radical change in the established order theories of political obligation demand renewed examination In this volume eighteen leading specialists in the legal philosophical and political science aspects of the question offer their views on this timely topic Part I examines the nature of moral legal and political obligation The first essay presents a set of definitions that denies the very existence of obligation While the second essay disagreeing particularly with respect to the relationship of political to moral tenets and the third discussing the highly complex interplay between law and morality The following essay approaches obligation as existing in the context of an established political and legal system and stresses the importance of evaluating the negative consequences of challenges to the law as well as those arising from the absence of challenges The next paper maintains that political obligation is so complex that its very existence depends upon rational deliberation in particular contexts The fifth explores four significant theories but accepts only the one based on the broadest definition of obligation While the final essay in this part considers political obligation a unique and generalized moral obligation Part II takes up the conditions of obligation and of obedience The first essay in this part discusses the conditions necessary to generate a felt obligation The second paper concentrates on exposing key obstacles to empirical proof that behavior is or is not motivated by felt obligation While the third draws upon a large body of literature and court decisions dealing with compliance to the law The fourth essay is a case study of Rome probes the role of obligation during that city's seven centuries The Principle of Fairness and Political Obligation George Klosko, 2004 In *The Principle of Fairness and Political Obligation* George Klosko presents the first book length treatment of political obligation grounded in the premises of liberal political theory In this now classic work he clearly and systematically formulates what others thought impossible a principle of fairness that specifies a set of conditions which grounds existing political obligations and bridges the gap between the abstract accounts of political principles and the actual beliefs of political actors Brought up to date with a new introduction this new edition will be of great interest to all interested in political thought **A Theory of Political Obligation** Margaret Gilbert, 2006-05-11 Margaret Gilbert offers an incisive new approach to a classic problem of political philosophy when and why should I do what the laws of my country tell me to do Beginning with carefully argued accounts of social groups in general and political societies in particular the author argues that in central standard senses of the relevant terms membership in a political society in and of itself obligates one to support that society's political institutions The obligations in question are not moral requirements derived from general moral principles as is often supposed but a matter of one's participation in a special kind of commitment joint commitment An agreement is sufficient but not necessary to generate such a commitment Gilbert uses the phrase plural subject to refer to all of those who are jointly committed in some

way She therefore labels the theory offered in this book the plural subject theory of political obligation The author concentrates on the exposition of this theory carefully explaining how and in what sense joint commitments obligate She also explores a classic theory of political obligation actual contract theory according to which one is obligated to conform to the laws of one's country because one agreed to do so She offers a new interpretation of this theory in light of a theory of plural subject theory of agreements She argues that actual contract theory has more merit than has been thought though the more general plural subject theory is to be preferred She compares and contrasts plural subject theory with identification theory relationship theory and the theory of fair play She brings it to bear on some classic situations of crisis and in the concluding chapter suggests a number of avenues for related empirical and moral inquiry Clearly and compellingly written *A Theory of Political Obligation* will be essential reading for political philosophers and theorists **Moral Principles and Political Obligations** A. John Simmons, 2020-05-05 Outlining the major competing theories in the history of political and moral philosophy from Locke and Hume through Hart Rawls and Nozick John Simmons attempts to understand and solve the ancient problem of political obligation Under what conditions and for what reasons if any he asks are we morally bound to obey the law and support the political institutions of our countries ***A Political Companion to Henry David Thoreau*** Jack Turner, 2009-07-17 The writings of Henry David Thoreau 1817-1862 have captivated scholars activists and ecologists for more than a century Less attention has been paid however to the author's political philosophy and its influence on American public life Although Thoreau's doctrine of civil disobedience has long since become a touchstone of world history the greater part of his political legacy has been overlooked With a resurgence of interest in recent years *A Political Companion to Henry David Thoreau* is the first volume focused exclusively on Thoreau's ethical and political thought Jack Turner illuminates the unexamined aspects of Thoreau's political life and writings Combining both new and classic essays this book offers a fresh and comprehensive understanding of Thoreau's politics and includes discussions of subjects ranging from his democratic individualism to the political relevance of his intellectual eccentricity The collection consists of works by sixteen prominent political theorists and includes an extended bibliography on Thoreau's politics *A Political Companion to Henry David Thoreau* is a landmark reference for anyone seeking a better understanding of Thoreau's complex political philosophy ***Medical Experimentation*** Charles Fried, 2016-05-02 This new edition of Charles Fried's *Medical Experimentation* includes a general introduction by Franklin Miller and the late Alan Wertheimer a reprint of the 1974 text an in-depth analysis by Harvard Law School scholars I Glenn Cohen and D James Greiner and a new essay by Fried reflecting on the original text and how it applies to the contemporary landscape of medicine and medical experimentation ***Isaiah Berlin*** Robert A. Kocis, 2022-08-01 No other books on Berlin examine him in historical context as borrowing from and reacting against the British Idealists This study offers a novel view of Berlin as a Kantian and post idealist thinker and a justification of liberty based on the plurality of our values and cultures ***Justification and Legitimacy*** A. John Simmons, 2001 This book

contains essays by A John Simmons perhaps the most innovative and creative of today's political philosophers

Political Obligation Richard E. Flathman, 2019-11-19 Under what conditions are obedience and disobedience required or justified To what or whom is obedience or disobedience owed What are the differences between authority and power and between legitimate and illegitimate government What is the relationship between having an obligation and having freedom to act What are the similarities and differences among political legal and moral obligations Originally published in 1972 Professor Flathman discusses these crucial issues in political theory in a lucid and stimulating argument Though mainly concerned to develop his own modified utilitarian standing point he also reviews both the classical and modern literature from Plato and Hobbes to Hare and Rawls The treatment is philosophical but it is frequently related to practical issues of civil obedience and disobedience and in particular focuses on the relation between law obligation and social change

Compliance & Public Authority Oran R. Young, 2013-10-18 Offers a theory of compliance and authority that would be applicable to behavior concerning economic contracts law enforcement and international relations It examines the problem of compliance in centralized e.g. national and state laws and decentralized international treaties systems Applies the theory to explain the level of compliance with Partial Nuclear Test Ban Treaty and the International North Pacific Fisheries Convention Originally published in 1979

The Dialectical Necessity of Morality Deryck Beyleveld, 1991 Alan Gewirth's Reason and Morality in which he set forth the Principle of Generic Consistency is a major work of modern ethical theory that though much debated and highly respected has yet to gain full acceptance Deryck Beyleveld contends that this resistance stems from misunderstanding of the method and logical operations of Gewirth's central argument In this book Beyleveld seeks to remedy this deficiency His rigorous reconstruction of Gewirth's argument gives its various parts their most compelling formulation and clarifies its essential logical structure Beyleveld then classifies all the criticisms that Gewirth's argument has received and measures them against his reconstruction of the argument The overall result is an immensely rich picture of the argument in which all of its complex issues and key moves are clearly displayed and its validity can finally be discerned The comprehensiveness of Beyleveld's treatment provides ready access to the entire debate surrounding the foundational argument of Reason and Morality It will be required reading for all who are interested in Gewirth's theory and deontological ethics and will be of central importance to moral and legal theorists

Observing Law through Systems Theory Richard Nobles, David Schiff, 2012-12-07 This book uses Niklas Luhmann's systems theory to explore how the legal system operates as one of modern society's subsystems The authors demonstrate how this theory alters our understanding of some of the most important and controversial issues within law the nature of judicial communication and legal argument the claim that it can be right to disobey law the character of legal pluralism and globalisation time and its construction within law the significance of the rule of law and human rights and the role of appeals to and within law Systems theory enables the authors to demonstrate how the legal system observes its own operations through its own communications and how this contrasts with

the manner in which law is observed by other systems such as the media and politics In this context the authors explore the constraints imposed by systems in particular the legal system upon the individuals who participate in them

Constitutionalising Secession David Haljan, 2014-11-01 Constitutionalising Secession proceeds from the question What if anything does the law have to say about a secession crisis But rather than approaching secession through the optic of political or nationalist institutional accommodation this book focuses on the underpinnings to a constitutional order as a law making community underpinnings laid bare by secession pressures Relying on the corrosive effects of secession it explores the deep structure of a constitutional order and the motive forces creating and sustaining that order A core idea is that the normativity of law is best understood through a constitutional optic as an integrative associative force Constitutionalising Secession critically analyses conceptions of constitutional order implicit in the leading models of secession and takes as a leading case study the judicial and legislative response to secession in Canada The book therefore develops a concept of constitutionalism and law making associative constitutionalism to describe their deep structure as a continuing integrative process of association This model of a dynamic process of value formation can address both the association and the disassociation of constitutional systems

Retribution, Justice, and Therapy J.G. Murphy, 2012-12-06 One might legitimately ask what reasons other than vanity could prompt an author to issue a collection of his previously published essays The best reason I think is the belief that the essays hang together in such a way that as a book they produce a whole which is in a sense greater than the sum of its parts When this happens as I hope it does in the present case it is because the essays pursue related themes in such a way that together they at least form a start toward the development of a systematic theory on the common foundations supporting the particular claims in the particular articles With respect to this collection the essays can all be read as particular ways of pursuing the following general pattern of thought that a commitment to justice and a respect for rights and not social utility must be the foundation of any morally acceptable legal order that a social contractarian model is the best way to illuminate this foundation that a retributive theory of punishment is the only theory of punishment resting on such a foundation and thus is the only morally acceptable theory of punishment that the twentieth century s faddish movement toward a scientific or therapeutic response to crime runs grave risks of undermining the foundations of justice and rights on which the legal order ought to rest and finally that the legitimate worry about the tendency of the behavioral sciences to undermine the values of

Gewirth Michael Boylan, 1999 As one of the most important ethicists to emerge since the Second World War Alan Gewirth continues to influence philosophical debates concerning morality In this ground breaking book Gewirth s neo Kantianism and the communitarian problems discussed form a dialogue on the foundation of moral theory Themes of agent centered constraints the formal structure of theories and the relationship between freedom and duty are examined along with such new perspectives as feminism the Stoics and Sartre Gewirth offers a picture of the philosopher s theory and its applications providing a richer more complete critical

assessment than any which has occurred to date **Jurisprudence For a Free Society** Harold D. Lasswell, Myres S. McDougal, 2023-12-28 *Military Chaplains' Review*, 1982 *Moral Combat* Heidi Margaret Hurd, 1999-03-28 This book explores the thesis that legal roles force people to engage in moral combat an idea which is implicit in the assumption that citizens may be morally required to disobey unjust laws while judges may be morally required to punish citizens for civil disobedience Heidi Hurd advances the surprising argument that the law cannot require us to do what morality forbids The role relative understanding of morality is shown to be incompatible with both consequentialist and deontological moral philosophies In the end Hurd shows that our best moral theory is one which never makes one actor's moral success turn on another's moral failure *Moral Combat* is a sophisticated well conceived and carefully argued book on a very important and controversial topic at the junction between legal and political philosophy It will be of interest to moral legal and political philosophers as well as teachers and students of professional ethics in law University of Pennsylvania Law Review, 1978

On Political Obligation Paul Harris, 2019-11-19 First published in 1990 The individual's obligation to obey the law the state and the government is a fundamental part of contemporary political theory The contributors to this volume drawn from a variety of disciplines including philosophy political science and law take a fresh look at the dilemmas of political obligation They discuss the extent to which we should allow the need for conformity to override individual liberties and ask whether individualism is indeed feasible without a highly developed sense of the public interest or the common good The contrast between individualism and communitarianism is examined throughout the book The contributors also look at the various means through which the state can coerce or persuade the individual to be obedient The emphasis throughout this collection is on the substantive problems themselves rather than on the way these issues have been addressed in the history of political thought The book offers a number of different perspectives on political obligation and will be valuable to students of moral political social and legal philosophy

The Top Books of the Year Political And Legal Obligation Nomos Xii The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Political And Legal Obligation Nomos Xii : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Political And Legal Obligation Nomos Xii Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political And Legal Obligation Nomos Xii has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political And Legal Obligation Nomos Xii has opened up a world of possibilities. Downloading Political And Legal Obligation Nomos Xii provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a

button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political And Legal Obligation Nomos XII has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political And Legal Obligation Nomos XII. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political And Legal Obligation Nomos XII. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political And Legal Obligation Nomos XII, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political And Legal Obligation Nomos XII has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political And Legal Obligation Nomos XII Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
