PN Review ,1981 **Book Review Digest** ,1984 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher **Postcard Poems** Jeanne Griggs,2021-07-15 Poetry Fiction In days before selfies and social media postcards were a ubiquitous feature of travel providing both means of communication with friends and family while away and souvenirs of journeys once back home Even if not quite gone they seem more than a little nostalgic now as do many of the poems in Jeanne Griggs new collection POSTCARD POEMS By choosing to present her poems as short notes that could fit on a postcard she has opted for a formal brevity and the conceit of holiday communication allows her to write both about place so that her poems are often both ekphrastic and epistolary a neat trick and about the people in her life Travel of course is always a journey through both exterior and interior spaces physical and mental and we witness both in these often wistful poems A visit on Cape Cod with friends women of a certain age affords an opportunity to live like in the books without any of the fuss of having to sustain anything except ourselves Children grow up over the span of these travels despite her wishing she had caged them holding onto the past A third visit to Niagara Falls is the first without her son the first time you were too young to remember and the second too old to want to come along who is now far off in Siberia on travels of his own Iowa is a place equally exotic known only from watching a baseball movie until we left our daughter there and they drive long out of the way to visit the Field of Dreams site And it was there just like we d seen it in real life Stopping South of the Border she buys picture postcards of this place on the way to where we re actually going That s a good description of the mosaic of life that is constructed out of these brief notes a chronicle of stops along the way until in the final poem all future plans suspended we are still saving up from our last trip Postcards Home Dede Fox,2014-08-18 Fox s poetic canvas is vast deftly painted with an array of dazzling colors The subjects of her poems are as intriguingly eclectic as her spot on allusions She writes of family travel the joy of perception and reflection the arts and the facets of her Jewish heritage and she does so with an ease of diction which belies the consummate poetic skill subtly manifest in each and every poem refracting light into spectral colors *Postcards from God* Imtiaz Dharker,1994 **Postcards** C. S. Giscombe,1977 Postcards from the Interior Wyn Cooper,2005-06-01 Postcards from the Interior is a collection of postcard poems written from different geographical locations and varied states of heart and mind The first section Postcards from Vermont is composed of poems about Vermont towns and historical landmarks The second section Postcards from the Interior stretches to include poems from far flung places real and imagined

Adroit at juxtaposing the exterior weather of landscapes and the interior weather of the human condition Cooper writes poetry with the heft of a Romantic meditation and the breezy ease of contemporary song lyrics Wyn Cooper has published three previous poetry collections A poem from his first book was turned into lyrics for Sheryl Crow's Grammy winning song All I Wanna Do He lives in Battleboro Vermont *Postcard Poems* Peter Wilkinson,2024-09-19 Postcards the now almost completely obsolete and forgotten form of sending a short message of the sender's holiday or travel experiences to family and friends Often posted on the final day of the holiday or from places which guaranteed their arrival long after the sender had returned home Postcard collections may bring back memories of long forgotten times people and places often strangely distanced by the fading images the short handwritten messages and the very medium itself now seeming so old fashioned and crude in the digital age of instant communication But memories can also be postcards from the past especially when captured in poems which record the intensity of that moment or series of moments they record Images attach to the words which are stronger and sharper than postcards or digitised messages Hence *Postcard Poems* Postcards bringing alive the past in the present Postcards which become the experience they describe **Postcard Poetry** Marie Kelly,2017-08-08 Postcard Poetry is the collection of photographs taken and poems written by Marie Kelly while on her travels **Postcards from God I.** Imtiaz Dharker,2004 *Postcards from a Poet* Maria Elizabeth Rosales,2021-09-25 Photography Postcards Poetry 2021 is the second year that I participated in the PoPo challenge writing a poem a day on a postcard and mailing to other poets **Postcards from Planet Earth** Ken D.
