The Pragmatist Joseph P. Viteritti, 2017-08-03 When Michael Bloomberg handed over the city to Bill de Blasio New York and the country were experiencing record levels of income inequality De Blasio was the first progressive elected to City Hall in twenty years Invoking Fiorello La Guardia's name he pledged to improve the lives of those marginalized by poverty and prejudice Unlike La Guardia de Blasio did not have allies in Washington like President Franklin D Roosevelt who could effectively support his progressive agenda As de Blasio approached the end of his first term the situation worsened with Donald Trump in the White House and a Republican controlled Congress determined to further reduce social programs that help the needy As a result de Blasio's mayoralty is an illuminating case study of what mayors can and cannot do on their own to address economic and social inequality As the Democratic Party attempts to reassemble a viable political coalition that cuts across boundaries of race class and gender de Blasio's efforts to redefine priorities in America's largest city is instructive Joseph P Viteritti's *The Pragmatist* is the first in depth look at de Blasio both the man himself and his policies in crucial areas such as housing homelessness education and criminal justice It is a test case for the viability of progressivism itself Along the way Viteritti introduces the reader to every NYC mayor since La Guardia He covers progressives who breathed life into the soul of the city before the devastating fiscal crisis of 1975 put it on the brink of bankruptcy and those post fiscal crisis chief executives who served during times of limiting austerity This engaging story of the rise fall and rebirth of progressivism in America's major urban center demonstrates that the road to progress has been a long and continuing journey

Policing Protest Paul A. Passavant, 2021-06-28 In *Policing Protest* Paul A Passavant explores how the policing of protest in the United States has become increasingly hostile since the late 1990s moving away from strategies that protect protesters toward militaristic practices designed to suppress protests He identifies reactions to three interrelated crises that converged to institutionalize this new mode of policing the political mobilization of marginalized social groups in the Civil

Rights era that led to a perceived crisis of democracy the urban fiscal crisis of the 1970s and a crime crisis that was associated with protests and civil disobedience of the 1960s As Passavant demonstrates these reactions are all haunted by the figure of black insurrection which continues to shape policing of protest and surveillance notably in response to the Black Lives Matter movement Ultimately Passavant argues this trend of violent policing strategies against protesters is evidence of the emergence of a post democratic state in the United States Family Crimes Against the Elderly Patricia J.

Brownell,2014-01-14 First Published in 1999 Family Crimes Against the Elderly A Study of Elder Abuse and the New York Police Department represents an important contribution to the available knowledge on elder abuse as a criminal justice issue While most studies of elder abuse to date have examined this social problem from a health mental health or social service perspective few have focused on it from the perspective of law enforcement *Fight the Power* Clarence Taylor,2018-12-20

A story of resistance power and politics as revealed through New York City s complex history of police brutality The 2014 killing of Michael Brown in Ferguson Missouri was the catalyst for a national conversation about race policing and injustice The subsequent killings of other black often unarmed citizens led to a surge of media coverage which in turn led to protests and clashes between the police and local residents that were reminiscent of the unrest of the 1960s *Fight the Power* examines the explosive history of police brutality in New York City and the black community s long struggle to resist it Taylor brings this story to life by exploring the institutions and the people that waged campaigns to end the mistreatment of people of color at the hands of the police including the black church the black press black communists and civil rights activists Ranging from the 1940s to the mayoralty of Bill de Blasio Taylor describes the significant strides made in curbing police power in New York City describing the grassroots street campaigns as well as the accomplishments achieved in the political arena and in the city s courtrooms Taylor challenges the belief that police reform is born out of improved relations between communities and the authorities arguing that the only real solution is radically reducing the police domination of New York s black citizens **Understanding Police Operational Performance** James E.
