The Letter Richard Paul Evans, 1997 The love story of David and MaryAnne Parkin and the storms that their relationship must face when the blissful state of romance vanishes into real life challenges and difficulties The Christmas List Richard Paul Evans, 2009-10-06 A heartwarming and inspirational Christmas novel in the tradition of The Christmas Box Grace The Gift and Finding Noel The New York Times bestselling author of The Christmas Box and The Walk series returns with a holiday novel of hope love and redemption Dear Reader When I was in seventh grade my English teacher Mrs Johnson gave our class the intriguing if somewhat macabre assignment of writing our own obituaries Oddly I don't remember much of what I wrote about my life but I do remember how I died in first place on the final lap of the Daytona 500 At the time I hadn't considered writing as an occupation a field with a remarkably low on the job casualty rate What intrigues me most about Mrs Johnson's assignment is the opportunity she gave us to confront our own legacy How do we want to be remembered That question has motivated our species since the beginning of time from building pyramids to putting our names on skyscrapers As I began to write this book I had two objectives First I wanted to explore what could happen if someone read their obituary before they died and saw firsthand what the world really thought of them Their legacy Second I wanted to write a Christmas story of true redemption One of my family's holiday traditions is to see a local production of Charles Dickens's A Christmas Carol I don't know how many times I've seen it perhaps a dozen but it still thrills me to see the change that comes over Ebenezer Scrooge as he transforms from a dull tight-fisted miser into a penitent giddy as a schoolboy man with love in his heart I always leave the show with a smile on my face and a resolve to be a better person That's what I wanted to share with you my dear readers this Christmas a holiday tale to warm your season your homes and your hearts Merry Christmas

has met hundreds of thousands of people and heard many of their stories in his travels over the past two decades. Most of the people he meets are hungry for inspiration; they love his novels because his characters are also searching for meaning and understanding. *The Four Doors* is Evans's message to those who seek inspiration in their lives. It began as a talk he gave on the spur of the moment and over the course of ten years it has evolved into a message he has shared with successful business people, students, and even addicts and prisoners. It includes stories his readers have told him, stories about great achievers who overcame hardships, and stories about his own struggle growing up in a large family with financial difficulties and a suicidal mother, and about his diagnosis of Tourette's Syndrome later in life. These inspiring stories are woven through his identification and careful explanation of the four doors to a more fulfilling life: Believe there's a reason you were born. Free yourself from limitations. Magnify your life. Develop a love-centered map. Evans believes that we all want to know the meaning of our lives. In *The Four Doors*, he shows how even the most quiet life can be full of purpose and joy if we choose to take that first step over the threshold.
