McCall's ,1953 *Bareback Bull Rider* Dick Parker, 2015-02-12 I looked at the bull and he looked through the boards at me and I could see in his eyes he didn't like me Ever since he was young Reed has always wanted to be a cowboy He joins the summer rodeo program in his high school to be a step closer to his dream of becoming a cowboy He rooms in with Brandon in the bull riding training camp Reed and Brandon share a passion for bull riding and immediately hit it off The camp is great and both of them start to get better at riding But one day they accidentally become voyeurs to an instructor and a student's midnight shower tryst Reed and Brandon quickly discover that they don't just want to ride a bull they want to ride each other too The new friends talk about what they saw and learn that they both like what they saw more than they are willing to admit to each other But they both really want to try it for themselves This camp might end up teaching them way more than just riding a bull Extraordinary Acclaim for Dick Parker's Works hardcore romance all in 5 stars Camille Michiko Gay Porn College Super Stars The story is Hot Sexy and Life was good If you love MM Sex which there is a lot of and Romance you will love this Good Read Pam At the Beach This book is crazy sexy Like on the brink of explosion sexyyyyyy To be young and curious is a dangerous thing but it turned out those qualities was what gave Richard a life changing experience And NOT in a bad way With how the author portrays each scene in this book you can almost see it happening right in front of you You get lost in the moments of hot and lucid situations My sights a little hazy right now and I feel a bit dehydrated so I end it here before I get carried away and tell you everything Lol Grey The Rest Stop Hot Ryder B.T. Haiyes, 2022-12-12 Austin A rodeo a ranch and a roaring crowd Those three things have been my entire life everyday for the past five years My rise to the top as a competitive bronc rider has been everything I could have ever hoped for Yet something or rather someone is still missing from my life My former best friend Brendan Watts should have been by my side every step of the way these past years But I pushed him away and right out of my life with everything I had Now fate and the Katoka Hill's rodeo competition has brought Brendan back into my life Yet gone are the easy smiles and laughter he and I used to share Instead each time we talk Brendan is standoffish surly and stubborn And half the time he looks as though he'd rather punch me than spend another minute in my presence The rift between us is my fault but I'm determined to bridge it So no matter what I'm not

giving up on Brendan without a fight Brendan From the moment I met Austin I was in love with him But for the longest time I was too afraid to admit it Even so there was never a doubt in my mind that my best friend and I would be in each others lives forever That was five years ago One ill fated kiss and five years later I am much older and wiser So I will not let Austin Ryder distract me from doing my job reporting on the Katoka Hills annual rodeo event Problem is Austin also happens to be one of the rodeo riders I m supposed to interview while I m here Still I m going to do everything I can to keep my distance come what may Cause as far as I m concerned we re both better off not being in each other s lives Hot Ryder is a part of the Love On Ryder Ranch series but can be read as a standalone This steamy straight to gay story combines a friends to enemies to lovers romance with a touch of added spice There is no cliffhanger or any cheating in this story only a guaranteed HEA Narrated in alternating first person POV past tense A Quick Word From The Author I know many of you are big fans of MM romance books so I ve written a range of stories from longer gay romance books to quick and easy gay romance short stories for when you just need a fast fix Personally I have a soft spot for mm romance first time tales There s something so special about exploring that journey of coming out and falling in love for the first time But I also love writing a good mm romance alpha story with a headstrong hero who finds his perfect match And mm romance bi awakening plots really tug at my heartstrings too Especially as we follow along the journey of two characters exploring new sides of their sexuality So for those of you who like your gay romance on the shorter side check out my First Time For Everything series Every book in that series is a steamy m m romance instalove quick read that you can dive right into They re ideal for when you ve only got a bit of time but need your happily ever after fix Some are contemporary while others are a fun mm romance adventure tale but there s something there for every mood However if you re looking for a heart warming slow burning romance story then my Love On Ryder Ranch series is just what you need This series of gay cowboy LGBT romance books provides something for all readers whether you re in the mood for an exciting adventure or a passionate love affair Well I hope you can find something in my library of romance books to capture your interest I m always happy to feed your next reading binge **Riding High**
