

Deseret Alphabet Translator

The advantages of this alphabet will soon be realized, especially by foreigners . . . It will also be very advantageous to our children. It will be the means of introducing uniformity in our orthography, and the years that are now required to learn to read and spell can be devoted to other studies.

Brigham Young

English

I have asked the Board of Regents to cast out from their system of education, the present orthography and written form of our language, that when my children are taught the graphic sign for A, it may always represent that individual sound only. . . . I say let it have one sound all the time. (Brigham Young)
