

Name: _____

Date: _____

Ronald Reagan

Ronald Reagan was an American politician and actor who served as the 40th President of the United States from 1981 to 1989. Born in 1911 in Tampaw, Illinois, Reagan attended Eureka College and later worked as a sports announcer and actor in Hollywood. In the late 1940s, he became involved in politics and was elected as the Governor of California in 1966.

As President, Reagan implemented a number of economic and foreign policy initiatives, including tax cuts, increased military spending, and the deregulation of industries. He also played a key role in ending the Cold War with the Soviet Union and helped to bring about the collapse of communism in Eastern Europe.

Reagan was known for his strong conservative ideology and his ability to communicate effectively with the American people. He was also known for his optimism and ability to inspire others, which earned him the nickname "The Great Communicator."

Reagan's presidency was not without controversy, however. His administration faced criticism for its handling of the AIDS epidemic, its involvement in the Iran-Contra affair, and its failure to address the issue of climate change.

Despite these controversies, Reagan is widely regarded as one of the most influential presidents in American history. He is credited with helping to bring about the end of the Cold War and with revitalizing the American economy. Reagan passed away in 2004 at the age of 93.

1. When and where was Ronald Reagan born?

2. What was his early life and career like before he became involved in politics?
