As a result, he worked to provide financial and military aid to anticommunist governments and insurgencies around the world. This policy, particularly as it was applied in the developing world in places like Grenade and El Salvador, was known as the Reagan Doctrine.

Ronald Reagan wanted to become a leader because he felt his ideas in relation to taxes and the economy could help the country's financial state tremendously. During Reggae's early childhood, his family lived in a series of Illinois towns as his father switched sales jobs, then settled in Dixon, Illinois, in 1920. In 1928, Reagan graduated from Dixon High School, where he was an athlete and student body president and performed in school pl
