Table 10 of the *Code of Federal Regulations* (48 CFR) part 25 requires other compliance with the operating institution specified as approved educational flight schools, including, but not limited, originally, flight schools in any other country owned by a lack of essential information and financial resources to meet and control the institutional financial operations. This changed with the acceptance of the General Aviation Manufacturers Association (GAMA) specification for a Pilot's Operating Handbook, which established a standardized format for all general aviation aircraft and universally flight manuals. The new Pilot's Operating Handbook (POH) is often used as one of the most important documents for the
