Michael Paget-Wilkes,2020-05-29 This book calls for a major paradigm shift in the church s thinking and practice if the church is to engage with the upcoming generations of the third decade of this fast changing twenty first century Just as the church has had to adapt to a changing context in the past it now needs to engage seriously with this post enlightenment post human techno centric age of artificial intelligence However the church also needs to recall its counter cultural prophetic role following Elijah Jeremiah Amos Jesus and Paul challenging society as it faces complex dilemmas raised by technology driven development in these unprecedented times The church will have to acknowledge unaddressed weaknesses in the past of identifying with established power rather than vulnerability and the marginalized of depending on a hierarchical ministerial order at the expense of the ministry of every believer of acquiescing to materialist anthropocentric and consumerist growth as an undisputable norm This book develops the vision of a church engaged in the mission of God of welcoming technological development but with an eye on kingdom values of promoting innovation so long as it does not result in a growth of inequality or at the expense of the environment of pointing towards a humanity that deepens its relationships with its Creator its fellow humans and its environment The author calls on grassroots believers to reflect and act within their local communities as inspired and empowered daughters and sons

Berry,2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump s candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God s anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump s candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century **Prophetic Scriptures Yet to Be Fulfilled** Bill Hamon,2011-07-28 Prophetic Scriptures Yet to Be Fulfilled reveals the times and purposes of God for His Church and planet Earth The Church has now entered a new era of Christianity the Third Reformation God fulfilled specific purposes in the First and Second Reformation likewise a major purpose of His will be fulfilled in this age Explained and predicted First Reformation 4 B C A D 313 Second Reformation 1517 2007 Third Reformation 2008 Revelation 11 15 You will learn about the fascinating transformation to the seven mountains of culture and how every nation will become either a sheep or a goat nation In the end the restoration of all things spoken of by the apostles and prophets will release Jesus to return and set up His domain over all the earth **Living in the Miraculous** Katherine Ruonala,2013-10-01 You are fully completely and thoroughly adored by God And through His love you can live a life full of miracles Miracles of healing and deliverance are happening around the world But many people still struggle to believe that God will perform such miracles through them Filled with inspirational personal stories and prophetic revelations Living in the Miraculous challenges you to believe so completely in God s love for you that you expect the miraculous in your life every day Your faith flourishes when you are rooted and grounded in God s love When you really see who He is and get a glimpse of His affection for you walking in His power becomes natural *Curating Spaces of Hope* Matthew Barber-Rowell,2025-03-31 What might a political theology of leadership look like in uncertain times Curating Spaces of Hope explores how individuals and communities work together to shape and contribute to society in times of pandemic Brexit war and a cost of living crisis through the exploration and development of local leadership practice underpinned by shared values **Prophecy in the New Millennium** Suzanne Newcombe,Sarah Harvey,2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy

apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life *The Kingdom*
