The Maiden with the Mead Maria Kvilhaug,2023-09-22 Students of the Poetic Edda have long ignored a seemingly unassuming yet most important mythical character Namely the mead offering Maiden that appears at the heart of many a myth and heroic legend This study shows how the Maiden with the Mead appears at the climax of a ritual structure within the myths a structure that clearly is based on Pagan initiation rituals

Offensive to a Reasonable Adult Robert Cetti,2014-09-01 Thoroughly researched and fully APA referenced chronological history of film censorship and classification in Australia Case by case histories of banned films punctuate a detailed account of the evolution of the Australian Film Classification system and the concurrent development of the Australian adult XXX industry culminating in the establishment

of the Australian Sex Party Former SAR Research Fellow at Australia's National Film Sound Archive Robert Cettl gained exclusive access to both the national collection and the highly restricted Australian adult industry archive the Eros Collection at the Flinders University of South Australia Library to piece together the complete history of film censorship in Australia Progressing through individual banned and censored films including works by such internationally renowned directors as Hitchcock Whale Bunuel Forman Godard Oshima Pasolini Hopper Lyne Breillat Noe Brass Bertolucci Fellini Ford Clark Desportes Winterbottom Von Trier Cettl maps out the specification of offensive material in parallel to the emergence of Australia's adult XXX industry and the Christian morals driven pressure groups that advocate tighter censorship restrictions In a country that has the dubious honor of being the most censorial of Western democracies film censorship is based on the principle of offense to a reasonable adult an undefined refrain that religious minorities have used to manipulate censorship decisions in their favor The history of these groups and the political support for their right wing Christian agenda driven by what Australians term Wowserism makes Australian film censorship unique in its delineation of the aesthetics of offense as grounds for the suppression of free dissemination to the point of seeking mandatory ISP Internet filtering and Internet blacklisting of all material classified RC or refused classification much of which is available for dissemination throughout Europe and the USA in violation of UN Human Rights Article 19 In this comprehensive study of the socio political ideology surrounding the censorship of primarily sexually explicit material pornography Cettl delineates the aesthetic construction of offense as a transgressive genre and charts the morality driven religiosity behind their construction as Other to a civilized society questioning whether the categorization of such material as other makes of it legitimate discourse With extensive case histories never before published government censorship reports press clippings and secret internal memos between some of Australia's most powerful and influential politicians Offensive to a Reasonable Adult exposes the quagmire of Australian censorship law and the morals cabal of wowsers that dominate the censorship agenda in the so called Clever Country

Textiles and Gender in Antiquity Mary Harlow, Cecile Michel, Louise Quillien, 2020-11-12 This volume looks at how the issues of textiles and gender intertwine across three millennia in antiquity and examines continuities and differences across time and space with surprising resonances for the modern world The interplay of gender identity textile production and use is notable on many levels from the question of who was involved in the transformation of raw materials into fabric at one end to the wearing of garments and the construction of identity at the other Textile production has often been considered to follow a linear trajectory from a domestic female activity to a more commercial or industrial male centred mode of production In reality many modes of production co existed and the making of textiles is not so easily grafted onto the labour of one sex or the other Similarly textiles once transformed into garments are often of unisex shape but worn to express the gender of the wearer As shown by the detailed textual source material and the rich illustrations in this volume dress and gender are intimately linked in the visual and written records of antiquity The contributors show how it is common practice in both art

and literature not only to use particular garments to characterize one sex or the other but also to undermine characterizations by suggesting that they display features usually associated with the opposite gender

Sideways Uncorked Mira Advani Honeycutt, Kirk Honeycutt, 2024-11-05 Two stories unspool in Sideways Uncorked the story behind Alexander Payne's modern movie classic adapted from a most unlikely source an unpublished novel by a burnt out ex filmmaker and wine connoisseur Rex Pickett and the world of Pinot Noir and Merlot winemaking before and after Sideways was released For as Kirk and Mira Advani Honeycutt show the movie was a pop culture phenomenon that dramatically impacted the wine industry Sideways Uncorked offers a tour of the lush Santa Barbara wine country that forms the iconic backdrop to Sideways tracing the effect the story eventually had there and elsewhere With ample narrative and special features such as a wine lineup of recommendations from various wine regions this is a one of a kind illustrated book that will dazzle the palate of oenophiles and cinephiles alike
