New York Magazine ,1994-07-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Evaluation of the New York City Police Department Firearm Training and Firearm-Discharge Review Process* Bernard D. Rostker, Lawrence M. Hanser, William M. Hix, Carl Jensen, Andrew R. Morral, 2008-06-09 In January 2007 New York City Police Commissioner Raymond W Kelly asked the RAND Corporation to examine the quality and completeness of the New York City Police Department s firearm training program and identify potential improvements in it and in the police department s firearm discharge review process This monograph reports the observations findings and recommendations of that study *The New York City Police Department's Stop & Frisk Practices* Eliot Spitzer, 1999 Canvasses 3 different perspectives on stop and frisk S F police activity in NY City Provides the legal definition of and constitutional parameters for S F encounters Considers S F from the perspective of both the N Y City Police Dept NYPD and minority communities that believe they have been most affected by the use of S F S F is also examined as part of the NYPD s training regimen and from the point of view of officers who have used the technique Provides an assessment of the S F tactic from the perspective of persons who have been stopped and commentary from persons who have observed the tactic s secondary effects Comprehensive *The Secret Files: Bill Deblasio, The NYPD, and the Broken Promises of Police Reform* Micheal Hayes, 2025-05-13 An unprecedented breakdown of the NYPD s powerful network of police unions pro police lawyers and top brass who work relentlessly to shield police officers from any real accountability For readers of long form hard hitting journalistic expos s like *We Own This City* a compelling look at how we do and don t hold police responsible in America by an award winning progressive reporter covering the NYPD police beat In 2018 reporter Michael Hayes uncovered a major story about how the NYPD was not only turning a blind eye to police misconduct but also allowing hundreds of officers with severe misconduct charges to remain on the force In the aftermath of that story then Mayor Bill de Blasio attempted to reform the department only to abandon his plans While de Blasio may have suffered a political setback it s New Yorkers who are the true victims of this failure to deliver accountability and transparency The state has a law that specifically prevents the public from learning about concealed police records New Yorkers are increasingly distrustful of the police after witnessing their loved ones being targeted brutalized and murdered with near impunity Hayes takes readers inside decades of police corruption and controversial laws chronicling the stories of the families and activists who have had enough He makes a compelling case for the limits of reform in the aftermath of the major Black Lives Matter rallies following the murder of George Floyd and growing calls to defund the police **Police Practices and Civil Rights in New York City** Mary
