Federal Register, 2014-02 *Choice of Law and Recognition in Asian Family Law* Anselmo Reyes, Wilson Lui, Kazuaki Nishioka, 2023-10-05 This thematic volume in the series Studies in Private International Law Asia outlines the general choice of law and recognition rules relating to family matters of 15 Asian jurisdictions Mainland China Hong Kong Taiwan Japan South Korea Singapore Malaysia Vietnam Cambodia Myanmar the Philippines Indonesia Thailand Sri Lanka and India The book examines pressing questions and proposes ways in which their systems may be reformed A concluding chapter considers the extent to which Asian cross border family law systems can and should be harmonised The book provides a comprehensive analysis of cross border family law challenges including child surrogacy child abduction the recognition of same sex unions the recovery of maintenance and the regulation of intercountry adoption These are among the matters now testing Asian institutions of private international law and acting as forces for their modernisation With contributions by leading Asian private international law experts the book proposes necessary reforms for each of the jurisdictions analysed as well as for Asia as a whole HC 232 - Voter Engagement in the UK Great Britain. Parliament. House of Commons. Political and Constitutional Reform Committee, 2014 Since 1945 turnout for general elections in the UK has fallen from a high of 83 9% in 1950 to a low of 59 4% in 2001 Turnout for the 2010 general election was 65 1% higher than the previous two general elections but still the third lowest since the introduction of universal suffrage Turnout at the last general election was also low compared with turnout at the last parliamentary elections in other European Union countries There is also evidence that a significant number of people in the UK are not registered to vote with the most recent estimates indicating that the electoral register was between 85 and 87% complete This would mean that approximately 6 5 million people are missing from the electoral register In light of this the Political and Constitutional Reform Committee agreed to conduct an inquiry into voter registration and turnout in the UK **OECD Regional Development Studies Working Together for Local Integration of Migrants and Refugees in Berlin** OECD, 2018-09-06 Berlin has long been a diverse multicultural city and today about 1 million or 30% of its inhabitants have a migration background meaning that they or at least one of their parents were born without German nationality Berlin s authorities perceive diversity as generally accepted *Developing Digital Marketing* Park Thaichon, Vanessa Ratten, 2021-06-11 Developing Digital Marketing Relationship Perspectives provides a holistic perspective about the role of digital marketing in the global economy helping readers to understand the shift from traditional marketing to more novel and innovative forms **The UN Convention on the Rights of Persons with Disabilities** Ilias Bantekas, Michael Ashley Stein, Dimitris Anastasiou, 2018 This volume is a systematic commentary on the Convention on the Rights of Persons with Disabilities CRPD and includes analysis of its Optional Protocol It provides an authoritative discussion on the CRPD and is a definitive resource tool for use in litigation as well as in formulating policy at the domestic and international levels *Routledge Handbook of Water Law and Policy* Alistair Rieu-Clarke, Andrew

Allan, Sarah Hendry, 2017-02-24 Water plays a key role in addressing the most pressing global challenges of our time including climate change adaptation food and energy security environmental sustainability and the promotion of peace and stability This comprehensive handbook explores the pivotal place of law and policy in efforts to ensure that water enables positive responses to these challenges and provides a basis for sound governance The book reveals that significant progress has been made in recent decades to strengthen the governance of water resource management at different scales including helping to address international and sub national conflicts over transboundary water resources It demonstrates that effective laws and policies are fundamental drivers for the safe equitable and sustainable utilization of water However it is also shown that what might constitute an effective law or policy related to water resources management is still hotly debated As such the handbook provides an important and definitive reference text for all studying water governance and management

Holyoak and Torremans Intellectual Property Law Paul Torremans,2016 Holyoak and Torremans Intellectual Property Law provides a complete introduction and overview of UK intellectual property law It examines how the law has developed through key statutory provisions and leading cases and highlights the increasing influence of the EU and other international jurisdictions in shaping the law in its global context

Gravity at the International Criminal Court Priya Urs,2023-12-19 The gravity of a crime or case features in various international and national legal frameworks for the investigation and prosecution of international crimes At the International Criminal Court ICC sufficient gravity is a requirement for the admissibility of a case specified in Article 17 1 d of the Rome Statute The open textured nature of the provision leaves the manner of its application and ultimately its purpose in the context of the Prosecutor s decisions whether to investigate and prosecute open to discussion Set against the backdrop of ongoing debates on how to justify selective investigations and prosecutions at the Court Gravity at the International Criminal Court Admissibility and Prosecutorial Discretion addresses the question of how the gravity criterion is to be applied in the context of the Prosecutor s respective decisions whether to investigate and prosecute It argues that the purpose of the gravity criterion in this context is the allocation of investigative and prosecutorial resources First identifying appropriate indicators of gravity the book contends that the application of Article 17 1 d requires a subjective assessment that involves the exercise of discretion Second by clarifying the respective roles of the Prosecutor and the Pre Trial Chambers of the Court in the

assessment of gravity in different contexts it argues in favour of wide prosecutorial discretion in the making of this assessment compared with the limited powers of judicial oversight conferred on the Pre Trial Chamber

Timely and thorough Gravity at the International Criminal Court proposes a more coherent and persuasive application of the criterion contextualizing and comparing the ICC's approach in relation to other courts and bodies of law including international human rights law international investment law and international trade law

International Intellectual Property and the ASEAN Way Elizabeth Siew-Kuan Ng, Graeme W. Austin, 2017-10-05 The Association of Southeast Asian Nations ASEAN is actively seeking ways for member countries to enhance their individual economic development within the context of overall regional advancement Central to this is the creation of a regional intellectual property framework This book examines the efforts to move beyond sovereign protections of intellectual property rights and establish meaningful inter state cooperation on intellectual property issues Rather than aim for IP harmonization ASEAN recognizes its internal diversity and pursues an agenda of IP Interoperability The essays in this collection examine the unique dynamics of interoperability analyzing the administration of intellectual property in a part of the world that is of increasing importance The book enables the reader to compare and contrast the ASEAN model to other approaches in regional cooperation such as Europe and Latin America and also explores private international law as a potential vehicle for interoperability

The Syrian Refugee Crisis in Lebanon Robert G. Rabil, 2016-07-29 This book examines the unfolding of the Syrian refugee crisis in relation to the spillover of the Syrian civil war in Lebanon and against the background of Lebanon Syria relations and Lebanon's socio political cultural legal and economic conditions It surveys Lebanon's response plans to the refugee crisis as part of the development of the international response plans to address the protection and needs of the Syrian refugees and Palestinian refugees from Syria as well as the impacted host communities and institutions At the same time this book emphasizes the dramatic shift in popular and institutional attitudes towards the refugees as a response to and as a growth of the sheer magnitude of the refugee crisis which made Lebanon the only country in modern history with the highest per capita concentration of refugees in the world By examining these attitudes against the background of achievements and failures of the response plans the impact of the crisis on state institutions on the local and national levels and the collective consciousness of a nation barely surviving the scars of its civil war this book not only underscores the deepening tragedy of Syrian and Palestinian refugees in Lebanon but also the consequential tragedy of many Lebanese who have been forced into poverty and whose livelihoods have been affected by insecurity and the almost complete collapse of social services As a result the tragedy of the Syrian refugee crisis has become an international crisis affecting vulnerable persons across nationalities and unless it is addressed diplomatically and its response plans sufficiently funded the tragedy will only deepen across continents

Learning to Understand Remote Sensing Images Qi Wang, 2019-09-30 With the recent advances in remote sensing technologies for Earth observation many different remote sensors are collecting data with distinctive properties The obtained data are so

large and complex that analyzing them manually becomes impractical or even impossible Therefore understanding remote sensing images effectively in connection with physics has been the primary concern of the remote sensing research community in recent years For this purpose machine learning is thought to be a promising technique because it can make the system learn to improve itself With this distinctive characteristic the algorithms will be more adaptive automatic and intelligent This book introduces some of the most challenging issues of machine learning in the field of remote sensing and the latest advanced technologies developed for different applications It integrates with multi source multi temporal multi scale data and mainly focuses on learning to understand remote sensing images Particularly it presents many more effective techniques based on the popular concepts of deep learning and big data to reach new heights of data understanding Through reporting recent advances in the machine learning approaches towards analyzing and understanding remote sensing images this book can help readers become more familiar with knowledge frontier and foster an increased interest in this field
