How much do you carry in your appearance?

Traits are physical characteristics you inherit from your parents. In this investigation, your appearance and inheritance of your observable traits and comparing them to the characteristics listed on your characteristics. Record them determine their frequency of dominance among your ethnic population.

## Observing your oral traits:

a. The graphic below shows seven different human oral/oral traits. Each description from two different traits. Study the oral/oral traits and follow the procedures carefully.

b. Working with a partner, observe each other's traits and record the characteristics of each trait. Circle your trait of each characteristic in Table 1. For freckled trait, observe your face and note the frequency of your trait (e.g., freckled, freckled, freckled).

your trait (e.g., freckled)
