A Bright Red Scream Marilee Strong, 1999-10-01 I highly recommend A Bright Red Scream because it s beautifully written and so candid Amy Adams star of HBO s Sharp Objects in Entertainment Weekly Self mutilation is a behavior so shocking that it is almost never discussed Yet estimates are that upwards of eight million Americans are chronic self injurers They are people who use knives razor blades or broken glass to cut themselves Their numbers include the actor Johnny Depp Girl Interrupted author Susanna Kaysen and the late Princess Diana Mistakenly viewed as suicide attempts or senseless masochism even by many health professionals cutting is actually a complex means of coping with emotional pain Marilee Strong explores this hidden epidemic through case studies startling new research from psychologists trauma experts and neuroscientists and the heartbreaking insights of cutters themselves who range from troubled teenagers to middle age professionals to grandparents Strong explains what factors lead to self mutilation why cutting helps people manage overwhelming fear and anxiety and how cutters can heal both their internal and external wounds and break the self

destructive cycle A Bright Red Scream is a groundbreaking essential resource for victims of self mutilation their families teachers doctors and therapists

Medieval Life Roberta Gilchrist,2012 The aim of this book is to explore how medieval life was actually lived how people were born and grew old how they dressed how they inhabited their homes the rituals that gave meaning to their lives and how they prepared for death and the afterlife Its fresh and original approach uses archaeological evidence to reconstruct the material practices of medieval life death and the afterlife Previous historical studies of the medieval lifecycle begin with birth and end with death Here in contrast the concept of life course theory is developed for the first time in a detailed archaeological case study The author argues that medieval Christian understanding of the life course commenced with conception and extended through the entirety of life to include death and the afterlife Five thematic case studies present the archaeology of medieval England c 1050 1540 CE in terms of the body the household the parish church and cemetery and the relationship between the lives of people and objects A wide range of sources is critically employed osteology costume material culture iconography and evidence excavated from houses churches and cemeteries in the medieval English town and countryside Medieval Life reveals the intimate and everyday relations between age groups between the living and the dead and between people and things
