Comparative Sociology of Examinations Fumiya Onaka,2019-03-28 Contemporary societies are constructed constricted and constrained by various series of examinations Governments of both Western and non Western countries tend to conduct detailed multi layered and continuous systems of tests or examinations International tests such as PISA and TIMSS have also been introduced to compare the relative performances of learners within diverse educational institutions across different countries Examinations therefore provide a methodological pivot for comparing a range of societies They enable us to contrast the West and the East the North and the South tribal and mass society ancient and postmodern civilization and so on Comparing parallel societies from across Asia the Middle East Europe and North America this book proposes fundamental transitions in sociological research from system to process and from communication to composition through intensive studies on examinations It uses ethnographies interviews questionnaires documents statistics and big data analyses to make comparisons on broad scales of time and space In so doing it suggests hypotheses encompassing different kinds of societies in human history including those in the Axial Age and the Modern Ages Pitman's Journal of Commercial Education ,1907

College Admission Robin Mamlet, Christine VanDeVelde, 2011-08-30 *College Admission* is the ultimate user's manual and go-to guide for any student or family approaching the college application process. Featuring the wise counsel of more than 50 deans of admission, no other guide has such thorough, expert, compassionate, and professional advice. Let's be honest: applying to college can be stressful for students and parents. But here's the good news: you can get in. Robin Mamlet has been dean of admission at three of America's most selective colleges and is a journalist and parent. Christine VanDeVelde has been through the process first-hand. With this book, you will feel like you have both a dean of admission and a parent who has been there at your side. Inside this book, you'll find clear, comprehensive, and expert answers to all your questions along the way to an acceptance letter. The role of extracurricular activities. What it means to find a college that's the right fit. What's more important: high grades or tough courses? What role does testing play? The best candidates for early admission. When help from parents is too much help. Advice for athletes, artists, international students, and those with learning differences. How wait lists work. Applying for financial aid. This will be your definitive resource during the sophomore, junior, and senior years of high school.
