many forms it can take in this digital world Nowadays the world is full of a vast array of fonts that changes the way letters
appear As adults we have already established the differing curves and looks of the letters Help your child get off to the right
foot with this simple textbook This eBook is about helping children learning how to recognize the English Alphabet in
different fonts that are often used on computers signs and even book covers Teaching children to write and recognize the
Alphabet in one particular way is a thing of the past In the olden days people studied calligraphy and penmanship and were
expected to write each letter in exactly the same fashion Nowadays there are thousands of fonts readily available for
download over the internet for anyone to use on any project Billboards posters commercials logos signs just about anything
you look at nowadays with words incorporated they all have varying fonts and styles I think it is very important to teach our
children early the fundamentals of learning to recognize the ever differing font styles of today s text This eBook Learning the
Alphabet in Differing Fonts introduces children to this concept It is perfect to incorporate into a preschool or elementary
school curriculum whether in a traditional school setting or if you are homeschooling **ABC Learning ABC, QLD**
