Revised Common Lectionary 2014:

One Minute After Every Mile Jo Anna Rieger, 2016-03-28 One Minute after Every Mile holds the formula for what goes into the most important race on earth the race one signs up for when becoming a disciple of Jesus Christ This race is a long distance run traveling through many seasons demanding intentionality It requires the proper training gear techniques and strategies The finish line ends at the foot of our Maker **Beyond the Edge** Andrew Mayes, 2013-11-21 Jesus calls his disciples to follow him but where does he lead us Responding to Jesus summons we find ourselves leaving familiar certainties and securities behind as we step out boldly in faith Old boundaries dissolve as we are led into liminal spaces exhilarating situations new places of discovery and radical spiritual growth In such experiences Christ reveals himself to us anew The place of risk is the threshold of the divine Beyond the Edge is for people who wish to go deeply into the spiritual life for spiritual directors and for those who walk with others on their prayer journey It can be used individually or in groups

Homiletics Wilfried Engemann, 2018-11-19 In a dialogue with all of the theological disciplines and also with closely related human and philosophical sciences this standard work sets out criteria for a contemporary approach to preaching The assumptions arguments models perspectives and methods for analyzing the homiletic process are presented in an understandable form Figures and practical guidelines offer helpful illustrations This comprehensive and engaging format makes this volume a supportive textbook a reliable reference work and a stimulating aid for preaching all in one

Reid, Shelly Matthews, 2021-01-15 Because there are more

women in the Gospel of Luke than in any other gospel feminists have given it much attention In this commentary Shelly Matthews and Barbara Reid show that feminist analysis demands much more than counting the number of female characters Feminist biblical interpretation examines how the female characters function in the narrative and also scrutinizes the workings of power with respect to empire to anti Judaism and to other forms of othering Matthews and Reid draw attention to the ambiguities of the text both the liberative possibilities and the ways that Luke upholds the patriarchal status quo and guide readers to empowering reading strategies

Finding Our Balance Ronald P. Byars,2015-03-27 Mainstream American Protestantism is suffering from an identity crisis We are not fundamentalists but it is easy to define ourselves in reaction to them Paralyzed by the shock of a cultural turn toward skepticism we are tempted to make allies of the skeptics partly to distance ourselves from the religious right and partly to lay claim to credibility in a milieu in which it is okay to be spiritual but not to be religious A consequence is that we find ourselves playing in the shallow end of the pool The historic Protestant principle serves as an enabler when it privileges questioning over affirmation causing us to lose the necessary balance between the two American style generic Protestantism as it has evolved does not have strong enough foundations to withstand cultural pressures Discovering an identity worth being taken seriously will require revisiting the broad catholic and reforming tradition in order to find an authoritative rather than merely reactive voice The challenge is theological but not to academic theology The challenge rather is to the theology that sustains the local congregation through teaching certainly but most pressingly through preaching and worship The times call for thoughtful and strategic repositioning

UnCommon Preaching Susan Cartmell,2015-07-24 There is a spiritual hunger in the world today Many people are seeking answers to life s hard questions Many people come to church seeking inspiration help for personal problems or faith s perspective on life They come seeking things you cannot find in a search engine The church has exactly what they need but too often there is a gap between our message and our ability to send it Each week as people pause to learn about faith and get a word of hope a lot rides on the sermon Susan Cartmell took a journey across the country to visit churches with great preaching and lively worship What she discovered was that Evangelical Christians and Unitarian Universalists were using themed preaching effectively to attract new members Working in her church over the last five years she has designed a new system for preaching with themes in mainline Protestant churches She shares her method and her journey in a story that invites you to consider new ways to preach faithfully without using the lectionary
